

TOBACCO USE PROHIBITED

Southwest Technology Center provides for adults an exterior designated smoking area outside the west wing of the main building at 711 W. Tamarack. The designated area is clearly marked and defined. Smoking is prohibited in all other areas of the campus. Secondary school students and persons under the age of 18 are not permitted in the designated area and will be directed to use other entrances and exits to the facility.

The prohibition of smoking and tobacco use on campus by all secondary students is a continuation and in support of the policies in place at all partner sending school districts from which Southwest Technology Center secondary students are enrolled. Use or possession of tobacco in any form by secondary students and persons under the age of 18 is prohibited while at Southwest Technology Center. Access to the designated area for adults is also prohibited.

Consequences for use, possession, or distribution of tobacco (smoking, dipping, or chewing) for secondary school students, in addition to the sending school principal being notified, are as follows:

- 1st Offense – verbal warning
- 2nd Offense – detention; location and duration to be determined by the campus director
- 3rd Offense – 5 days detention; location and duration to be determined by the campus director
- 4th Offense – 1 to 3 days out-of-school suspension
- 5th Offense – 5 to 10 days out-of-school suspension
