

**ACCREDITATION**

Southwest Technology Center is fully accredited by the Oklahoma State Department of Education, Accreditation Section, and the Oklahoma State Board of Career and Technology Education. Southwest Technology Center is also approved as an educational institution for students who are veterans to receive educational benefits as determined appropriate by the Veteran's Administration. Some programs at Southwest Technology Center receive accreditation/certification from additional organizations and/or agencies. These programs are:

- |                                 |  |
|---------------------------------|--|
| Automotive Technology           | *Automotive Service Excellence<br>*National Automotive Technician Education Foundation, Inc. |
| Aviation & Aerospace Technology | *Federal Aviation Administration   |
| PN Program                      | *Oklahoma Board of Nursing   |

Current or prospective students wishing to review documents describing the institution's accreditation, approval, or licensing should submit a written request to do so to the superintendent's office. Documents will be made available to students for inspection within ten (10) working days of submission of the request.
