

WITHDRAWAL FROM SCHOOL

The Southwest Technology Center Board of Education realizes that a student may need to withdraw from school because of residence relocation or other valid reason. In such a case, when it becomes necessary for a secondary student to withdraw from school, the student must have prior approval from the parent/guardian and home school principal and complete a Student Withdrawal Form. Adult students must obtain a withdrawal form from the Southwest Technology Center Administrative Office. This must be signed by the student, the instructor, and the appropriate administrator in order to provide the student with a record of clearance from this school.
