

**INFORMATION COORDINATOR**

The school district has designated a representative to coordinate requests for information from the Oklahoma State Bureau of Investigations when the release of such information has been authorized by a parent, legal guardian of the student, or by court order. Information maintained in the district not prohibited from being released to law enforcement officers by state or federal law regarding past and present students in the district may be released to law enforcement officers subject to court order or by parental consent.

Such information includes but is not limited to:

1. Student's name, address, telephone listing, and date and place of birth;
2. Parent or lawful custodian's name, address, and telephone listing;
3. Major program of study;
4. Student's participation in officially recognized activities and sports;
5. Dates of attendance, dates of enrollment, withdrawal, re-entry;
6. Diplomas, certificates, awards, and honors received;
7. Discipline records.
