

SCHOOL DAY

The normal school day for the instruction of students in the Southwest Technology Center shall be in accordance with the Oklahoma Statutes and the regulations of the Oklahoma State Department of Education. Class beginning and ending times will be as scheduled by the administration and listed in student handbooks.

The regular school session may be temporarily altered by the board upon recommendation by the superintendent when the best interests of the district and the students would be served.

The superintendent may close schools, delay the opening of schools, or dismiss school early for emergency reasons to protect the health and safety of students and staff.

The superintendent is directed to prepare a regulation that defines the school day for the various classes.
