

SCHOOL COUNSELOR

The career guidance counselor is a member of the student services team. The counselor is concerned for the welfare of the student, instructional goals of the teachers, and communication between home, school, and the community.

Certified counselors are available to advise students who desire help with personal and/or career guidance concerns. A variety of assessment systems are available to help identify interest, aptitude, and competencies and to assist students in choosing realistic vocational goals. Students are encouraged to take part in all aspects of the services provided.

Parents and students wishing a conference may contact a counselor from 8:00 a.m. to 4:00 p.m. each school day.
