

STUDENT RESIDENCY

The district of Southwest Technology Center is established by partner school districts, identified as Altus, Blair, Duke, Eldorado, Granite, Navajo, and Olustee. Individuals with residences and residing inside these districts are considered in-district for purposes of admission and the establishment of tuition rates. An in-district resident is a person who has established legal/permanent residence inside the district of Southwest Technology Center. The residence of any child for school purposes shall be the legal residence of the parents, guardian, or person having legal custody who holds legal residence within the district as defined in 70 O.S. §1-113 (C). Provided that such parent, legal guardian, person, or institution having legal custody contributes in a major degree to the support of such child. Provided, further, that any child residing in the district who is entirely self-supporting shall be considered a resident of the school district if the child works and attends school in the school district. Questions concerning legal residence of children shall be determined pursuant to procedures utilized by the State Department of Education in accordance with 70 O.S. §1-113. This definition excludes temporary living with a relative or friend. Proof of residence is required. Examples of proof of residency that will be accepted are:

1. Proof of payment of local personal income tax or ad valorem taxes (receipt to named student or spouse for identified in-district residence);
2. Title to residential property in the district, or a valid unexpired lease agreement, or receipts for payment of rent on a district residence in which the applicant actually resides (receipts for rent/lease/house payment in the name of the student or spouse at an in-district address);
3. Proof of provisions of utilities (paid receipts for electricity, gas, or water in the name of the student or spouse at an in-district address, P.O. Box is not accepted.);

Homeless Students

In accordance with the Federal McKinney Homeless Assistance Act, homeless children shall have access to the same free and appropriate public education as provided to other children. The board shall make reasonable efforts to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their education that may exist in district policies or practices. No child or youth shall be discriminated against in this school district because of homelessness.

Children are deemed to be homeless under the following conditions:

1. A child who is lacking a fixed regular and adequate nighttime residence and who has a primary nighttime residence that is a publicly or privately operated shelter designed to provide temporary living accommodations, a temporary residence prior to institutionalization, or a place not designed or ordinarily used as a regular sleeping accommodation for human beings.

If the district is unable to determine the student's grade level due to missing or incomplete records, the district shall administer tests or utilize other reasonable means to determine the appropriate grade level for the child.

Tamarack, Altus, Oklahoma 73521.

If this school district denies admittance of a student who claims to be a resident of the district, the parent, guardian, or person having care and custody of the student may request a review of the residency officer's decision. Such request for review shall be in writing and must be received by the residency officer within three school days of the denial of admittance. The request for review shall include any additional pertinent information that may justify the admittance of the child to the school district.

Upon receipt of a written request for review, the residency officer will render a decision and notify the parent of the decision within three school days of the receipt of the request for review.

If the parent disagrees with the findings of the residency officer, the parent will notify the residency officer within three school days of the receipt of the decision. The residency officer will submit his/her findings and all documents reviewed to the board of education.
