

**ACKNOWLEDGMENT
STUDENT PARKING AREAS**

I acknowledge and understand that:

1. Students are permitted to park on school premises as a matter of privilege, not of right;
2. The school system retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property;
3. The school system may inspect the interiors of student automobiles whenever a school authority has reasonable suspicion to believe illegal or unauthorized materials are contained inside the automobiles;
4. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant; and
5. If I fail to provide access to the interior of my car upon request by a school official, I will be subject to school disciplinary action.
6. I understand the rules of safe operation of the motor vehicle and the laws that govern such. I further understand that should I fail to abide by the rules and laws outlined in the student handbook and other applicable regulations, I will forfeit my privilege of driving a private vehicle to and from Southwest Technology Center and agree to ride the student transportation provided by Southwest Technology Center.
