Student Policies and Consumer Information updates that are Board approved after the initial Board approval of the handbook, will be placed on our website at www.swtech.edu.

GREETINGS FROM THE SUPERINTENDENT

Welcome to Southwest Technology Center. We are pleased that you have selected Southwest Technology Center as the place to begin or broaden your career plans and opportunities. We are here to serve and assist you as you prepare to accomplish your career goals.

It is our goal to provide instruction, training, and experiences for your chosen career field in a friendly, professional, and positive atmosphere. The faculty, staff, and administration welcome you and look forward to assisting you with your educational and career growth.

Sincerely,
Dale Latham
Superintendent

I - B STUDENT POLICIES

This handbook is provided to assist the students in becoming acquainted with Southwest Technology Center. Each student should keep this handbook as a ready reference to questions which may arise during the school year. Student policies apply to post-secondary as well as to secondary students.

I - C OPERATIONS

Southwest Technology is under the administration and supervision of a duly elected Board of Education in cooperation with the Oklahoma Department of Career and Technology Education. This school serves as an extension of the school districts, which are members of the Southwest Technology Center District, and is a part of the total education program of these communities. High school students applying for training must be students in good standing at their home schools and have approval of parents, home schools, and the Technology Center for enrollment.

I - D ACCREDITATION

Southwest Technology Center School District No. 27 is fully accredited by the Oklahoma Department of Career and Technology Education. Some programs at Southwest Technology Center receive accreditation approval from additional organizations and/or agencies. These programs are listed below.

<u>PROGRAM</u>	<u>NAME OF ACCREDITING GROUP</u>	<u>STATUS OF APPROVAL</u>
Automotive Technology	Automotive Service Excellence National Automotive Technician Education Foundation, Inc.	Full Approval Full Approval
Full-Time Programs	Approved for VA Benefits Oklahoma State Accrediting Agency through the Veteran's Administration	Full Approval
LPN Program	Oklahoma Board of Nursing	Full Approval
Aviation and Aerospace Technology	Federal Aviation Administration	Full Approval
Cosmetology	Oklahoma Board of Cosmetology	Full Approval

Current or prospective students wishing to review documents describing the institution's accreditation, approval, or licensing should submit a written request to the Superintendent's office. Within ten (10) working days of submission of the request, documents will be made available to the student for inspection.

I - E NON-DISCRIMINATION POLICY

SWTC complies with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1974, and Section 504 of the Rehabilitation Act of 1973, the American's with Disabilities Act (ADA), and other federal laws and regulations. It is the policy of Southwest Technology Center to provide equal opportunities without regard to race, color, national origin, sex, age, disability or veteran status in its student admissions, educational service, financial aid, and employment.

There will be no discrimination by the district because of race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information in its programs, services, activities and employment. The district also provides equal access to community groups for utilization of facilities.

RaChel Crume, Student Services Director and Christie Rogers, School Counselor have been designated to coordinate compliance with the requirements and carry out the responsibilities contained in Title VI of the Civil Rights Act, Title IX of the Education Amendments of 1972, Title II of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act and any other state and federal laws addressing equal educational opportunity.

RaChel Crume or Christie Rogers may be contacted Monday - Friday, 8:00 AM - 4:00 PM:

RaChel Crume, Director of Student Services
Title IX/Section 504 Compliance Coordinator
Southwest Technology Center
580-480-4730
711 W. Tamarack Rd

E-mail: OCR.KansasCity@ed.gov

This notice is available in additional alternative formats upon request.

I - F STUDENT RECORDS

Southwest Technology Center maintains an educational record for each student who is or has been enrolled at the Center. These records may include such information as grades, attendance, work experience, work habits and attitude, personal appearance, and character. These records are kept in order to assist in job placement and to accurately answer inquiries from prospective employers. Attendance and grade records for high school students will be transferred to the home high school to become a part of their permanent record. Daily progress records are kept by each instructor, and a grade report will be furnished to each student at the end of each nine (9) week period.

I - G ACCESS TO STUDENT RECORDS

Student records are maintained by Southwest Technology Center in compliance with PL 93-380, the Federal Education Act of 1974. All student records are available for inspection by the student. Current students wishing to review their records must submit a written request to the

Chief Operations Officer. Within ten (10) working days of submission of the request, records will be made available to the student for inspection. In addition, the student may challenge any portion of the record.

I – H RELEASE OF STUDENT INFORMATION

Information about students and former students gathered by Southwest Technology Center is of two types: Directory and Confidential. Any information shall be released only in accordance with this policy and in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA) and the Oklahoma Open Records Act.

1. DIRECTORY INFORMATION

Information which routinely appears in student directories and may be freely released. Upon written request this information will be treated as confidential.

- A. Student's name, address, and telephone number
- B. Parent name, address, and telephone number
- C. Home School, grade, classification, program of study
- D. Date and place of birth
- E. Dates of attendance
- F. Awards received
- G. Distinguished academic performance

Parents of students may request that any part or all of directory information be withheld by notifying the Chief Operations Officer, or a designee, in writing within ten (10) calendar days after the first scheduled day of class or the fall term of such election. All written request for non-disclosure will be honored by Southwest Technology Center for one (1) academic year.

The official educational records of a student may be inspected by the student's parents, who upon filing a written request for a hearing may also challenge the contents of the records. Inspection must take place in the Administrative or Counseling Offices, and records **may not** be removed from the school premises.

The rights of parents become the rights of the student when the student attains the age of eighteen (18) years.

2. CONFIDENTIAL INFORMATION

This is all other information contained in the student's educational record and can be released only upon written consent of the owner of the privacy right, with the exceptions as designated in the Family Educational Rights and Privacy Act of 1974, as amended, which waives prior consent. Confidential information shall only be transferred to a third party on the condition that such party will not permit any other party to have access to the information without the written consent of the owner of the privacy. However, schools may, but are not required to, share information from a student's education records with parents without the student's consent. For example:

- Schools may disclose education records to parents if the student is claimed as a dependent for tax purposes.
- Schools may disclose education records to parents if a health or safety emergency involves their child.
- Schools may inform parents, if their child is under 21 and has violated any law or policy concerning the use or possession of alcohol or a controlled substance.
- A school official may generally share with a parent information that is based on that official's personal knowledge or observation of the

student.

I – I STUDENT COMPLETION AND FOLLOW-UP DATA

Completion and follow-up data are collected annually by the Oklahoma Department of Career and Technology Education. A copy of this data is available through the Chief Operations Officer's office upon request.

I – J VISITORS

Visitors wishing to tour our facilities must have prior administrative approval. Visitors will not be allowed to visit students during class without permission from the Administration. Students may not bring visitors to the classrooms or labs without permission from the instructor and the appropriate administrator.

SECTION II - EDUCATION AND SUPPORTIVE SERVICES

II - A EDUCATION ENHANCEMENT CENTER

The Education Enhancement Center provides instruction for secondary and adult students who need assistance in upgrading their reading and math skills. Prior to entering a career tech program, students are tested to determine certain skill levels. If scores fall below a prescribed level, the Education Enhancement Center will provide a variety of instruction styles, which is individualized to meet the needs of the student. A student will attend the Enhancement Center until skills are appropriate to meet the requirements of the career tech program. Instruction in the Enhancement Center is directly related to the career tech program in which the student is enrolled. Students will also receive job related preparation and instruction.

II - B ASSESSMENT CENTER

Assessment is provided for all students enrolling in full time programs. Assessment tools include Career Ready 101, System Assessment and Group Evaluation, and OK Career Guide utilization. Students are provided the opportunity to improve in the areas of academic and social skills.

II - C ON-THE-JOB TRAINING

Participation in the work-study program is given to selected seniors and adult students during the semester of the program prior to graduation. Student selection is based on classroom work, attendance, work attitude, reliability, and appearance.

II - D COUNSELING/ADVISEMENT SERVICES

Professional staff members are available to advise students who desire help with personal and/or career-related concerns. A variety of assessment systems are available to help identify interest, aptitude, and competencies and to assist students in choosing realistic career goals.

II - E DISABILITY SERVICES

Any disabled person requiring specific information regarding services should call the Student Services Department Monday through Friday between the hours of 8:00 AM and 4:00 PM at (580) 477-2250. Facilities are accessible to persons in wheelchairs.

II - F JOB PLACEMENT

Every effort is made to assist students with job placement. Job Placement is done primarily through the program instructors at SWTC. They maintain close contact with the various businesses in our area that can potentially employ our students. Student services has a bulletin board outside the Counselors office where employment opportunities are posted. Job listings are distributed to each program area as received throughout the year. Students may also obtain assistance for job opportunities through the Educational Enhancement Center.

II - G PERSONS DESIGNATED TO PROVIDE STUDENT CONSUMER INFORMATION

Current and prospective students may request a paper copy of Consumer Information or any reports referenced in this document.

The Department of Education makes publicly available Transparency in College Tuition for Consumers at <http://nces.ed.gov/collegenavigator/> in a sortable and searchable list of all Title IV participation institutions and related consumer information for the most recent academic year. Southwest Technology Center's current information is listed on this site.

The Student Services Director, Financial Aid Coordinator, and Chief Financial Officer/Treasurer are designated as the responsible parties for distributing consumer information to current and prospective students at Southwest Technology Center. Information may be obtained during regular business hours Monday through Friday, 8:00 AM to 4:00 PM by calling (580) 477-2250.

II – H CONNECTIONS LEARNING

Connections Learning is an on-line provider of courses, fully accredited by the Oklahoma State Department of Education to offer high school classes on-line which high schools can transcript with full credit.

Connections Learning is fully accredited by the North Central Accrediting agency which insures that other states recognize and accept these credits on a high school transcript, as well as North Central Accredited colleges toward meeting entrance requirements.

Fully certified teachers are available on-line to students from 7:00 a.m. to 10:00 p.m. daily, providing instruction, evaluation, and feedback; in addition to answering any questions.

Connections Learning academics provides classes in Advanced & College Preparatory [AP classes], Electives [variety], Foreign Language [French, German, & Spanish], Health [variety], Language Arts [through English IV], Mathematics [through Calculus], Sciences [through Chemistry & Physics], Social Sciences/Social Studies [all areas].

Connections Learning classes are offered for one or two semesters, depending upon the needs of a student.

How much does it cost?

SWTC will pay the \$395 tuition fee for two classes in an academic year to Connections Learning for eligible students enrolled in a SWTC fulltime program with prior approval from Administration and sending school.

How does it work?

The opportunity is for secondary students in good standing who are enrolled in a fulltime program or plan to enroll in a fulltime program. There is a ten (10) day grace period in which a student may learn that the online class is not suitable for them, and if they withdraw properly within that 10-day period, the transcript will not be adversely affected. After ten (10) days, any failures will be transcribed and treated as any other class taken at their home high school for calculating GPA.

All tests will be proctored by arrangement through SWTC.

SWTC and home High Schools will have access to students' progress and grades.

Students may work on-line at SWTC and home. In addition, students may work at their home high school by arrangement.

Beginning and ending dates for course completion will be the same as home high schools. Student progress will be closely monitored. Class work not completed within the scheduled timeframes may result in student failure of the class. Grades received from on-line classes are transcribed like all other high school classes and calculated accordingly.

The grading scale of the on-line class will follow the grading scale as established by a student's home high school.

The level of involvement by the home high school is discretionary, as much or as little as desired.

Additional information and assistance may be gained by contacting the SWTC Director of Fulltime Programs/Chief Operations Officer Ericka Wiginton; Director of Student Services RaChel Crume; or Career Guidance Counselor Christie Rogers at (580) 477-2250.

Southwest Technology Center is interested in providing the best education and training opportunities leading to successful and positive career choices for students. It is our desire to make positive choices available as we help partner high schools meet the needs of students.

SWTC – Serving Altus, Blair, Duke, Granite, Hollis, Navajo, and Olustee-Eldorado Schools.

II – I ADULT EDUCATION AND LITERACY, ENGLISH LITERACY, FAMILY LITERACY

The Adult Education and Literacy Program (AE&L) sponsored by Southwest Technology Center consists of classes offered to adults, 18 and over (16-17 by special release), to meet four basic needs of the adult learner:

- Adults who need to learn or improve basic education skills—primarily reading, writing, and arithmetic
- Adults who need advanced basic skills—primarily reading, English, math, science, and social studies to obtain a high school equivalency diploma (GED or HiSet)
- Adults who need to learn English as a second-language—primarily spoken English (Reading and writing are taught to the more advanced student)
- Family Literacy

The instructor evaluates each student's basic skill level. The instructor works with the individual student or with groups of students according to learning levels. The work is primarily individualized and self-paced, with instruction in the areas of English, science, social studies, mathematics, and reading.

Evening AE&L classes are scheduled year round at Southwest Technology Center. Check with the Adult Education & Literacy Director at Southwest Technology Center about classes in your community.

Adult education classes and materials are provided free of charge to students.

To enroll in AE&L, English Literacy, or Family literacy classes you must complete an online Adult Basic Education Application at www.swtech.edu through the enroll now button on the home page.

SECTION III - ADMISSIONS

Southwest Technology Center admits all eligible students without regard to race, color, national origin or religious beliefs. All federal and state guidelines concerning admittance for students receiving aid will be adhered to. Admission requirements may vary according to the program being offered. In general, admission requirements may include having a high school diploma or high school equivalency diploma (GED and HiSet), as well as a review of the applicant's interests, aptitude, and work history. Admission to the technology center or to specific programs shall not be contingent upon any single measure but upon a combination of factors including but not limited to achievement levels, aptitude, interest, work history, and ability to benefit in terms of employment. In-district secondary students who are enrolled in the eleventh (11) or twelfth (12) grades have first priority in all day classes. Secondary students wishing to return for the second year of a two-year program will have priority over first-year students provided they have the instructor's recommendation. In-district adult students will have second priority in full-time classes. Out-of-district secondary students will have third priority, followed by out-of-district adult students. All out-of-district students are admitted on a space available basis.

III – A ESTABLISHING RESIDENCY FOR ADMISSION PURPOSES

The district of Southwest Technology Center is established by partner school districts, identified as **Altus, Blair, Duke, Granite, Hollis, Navajo, and Olustee-Eldorado**. Individuals with residence and residing inside these districts are considered in-district for purposes of admission and the establishment of tuition rates. An in-district resident is a person who has established legal/permanent residence inside the district of Southwest Technology Center by the first day of class for the student. This definition **excludes** temporary living with a relative or friend. Proof of residence is required. Examples of proof of residency that will be accepted are:

1. Paid utility (electric, gas, water) receipts in the name of the student or spouse at an in-district address. * (P. O. Box not accepted.)
2. Receipt for rent/lease/house payment in the name of the student or spouse at an in-district address.*
3. Property tax receipt to named student or spouse for identified in-district residence.

If student, secondary or adult, is known to be an out-of-district resident but is a property taxpayer within the district, as evidenced by a property tax receipt to named student* or spouse for in-district property, then tuition shall be charged at the in-district rate. All other out-of-district students shall be charged out-of-district tuition as per tuition schedule.

* If prospective student is a minor by age, items 1, 2, and 3 are acceptable if in the name of parent or legal guardian, with guardianship being established by legal documentation.

Students who live in the following Career Tech Centers districts: Caddo-Kiowa, Canadian Valley, Great Plains, Mid-America, Red River, and Western, may receive residency status by agreement from their respective career tech center.

III - B SECONDARY STUDENTS

Southwest Technology Center admits high school junior and senior students on the basis of interest, ability, aptitude, and performance in previous schoolwork. Students with a previous history of poor grades, attendance, or adjustments to school may be denied admission. Secondary students below the eleventh (11) grade **may** be admitted under special conditions and when referred by their high school principal and approved by Southwest Technology Center's administration.

III - C SECOND YEAR STUDENTS

Students wishing to return to Southwest Technology Center the second year must be recommended by their instructor. An instructor's recommendation is based on student attitude, grades, and attendance.

III - D POST-SECONDARY STUDENTS

Any student who is not currently enrolled in high school and who is beyond the State of Oklahoma's mandatory age of 17 is classified as a post-secondary student. Any student returning on a thirteenth-year scholarship, is considered a post-secondary student/adult. All programs accredited for post-secondary education award a certificate to students who successfully complete that program. Post-secondary students are expected to follow the school policies and regulations the same as high school students.

III - E INSURANCE

Students attending Southwest Technology Center should be covered under a family insurance and hospitalization plan or purchase an accident policy available from the home school or from most insurance agents at a modest cost. All students will be required to sign an affidavit verifying insurance coverage or, if they have no coverage, to sign a release of medical health liability on the part of Southwest Technology Center. Southwest Technology Center or its governing Board of Education does not assume the responsibility (whether the student is high school, post-secondary, full time/part time or short term) for the payment of hospital or medical treatment fees.

III – F ASSESSMENT POLICY PREREQUISITES

The following policies and procedures pertain to students, and/or potential students who are enrolled in or seeking enrollment in a full-time training program at Southwest Technology Center.

ASSESSMENT OF STUDENTS

- All adult students applying for admission to full-time programs will be assessed.
- IEP students will not have to test prior to enrollment at Southwest Technology Center. All IEP students wishing to apply for enrollment at SWTC must contact SWTC's school counselor prior to making application for enrollment. An IEP meeting must be held on behalf of the student to insure placement into

the most appropriate educational program. A representative of SWTC must participate in the IEP meeting. The meeting must take place prior to enrollment. A copy of the student's IEP will be requested and kept on file at SWTC.

- Any post-secondary individual that has participated in another agency's testing program or that has tested at another educational institution may substitute those results for the entrance exams when it is deemed appropriate by SWTC's guidance personnel.

PROGRAM ASSESSMENT (INSTRUCTIONAL)

Each program instructor or director will meet the following guidelines in regard to instructional testing in their program.

Occupational Competency Exams

- A. Each program will identify all occupational areas that their program covers.
- B. Each program will identify a competency exam that correlates to the occupational areas associated with each program.
- C. Each program must have on file a definition of "Program Completer".
- E. SWTC will maintain a file on a student's competency exams for no less than five (5) years.

III – G HIGH SCHOOL CREDIT

All daytime programs at Southwest Technology Center shall meet at least 175 days per school year and be accredited for 3 units. Comprehensive schools may elect to give the student four (4) units of credit each year if the SWTC class meets for a length of time equal to that where four (4) units of credit are offered in the comprehensive school. Requests for courses to be offered for less than 3 units of credit on a pilot basis must be made to the Oklahoma Department of Career and Technology Education and the Accreditation Section at the State Department of Education.

III – H ADVANCED STANDING TRANSFER OF CREDIT POLICY

It shall be the policy of the Southwest Technology Center to admit students to the career tech programs on an advanced standing basis. Advanced standing shall be based on an evaluation of individual's previous educational experience and the application of such education to the requirements of specific courses within the program of study.

Students who feel that they are proficient in an area of study offered at SWTC may apply for advanced standing credit. In order to receive advanced standing credit, a student must successfully complete a comprehensive written and skills test. The test will be administered by a qualified representative of SWTC and must include both a written cognitive assessment along with a supervised skills demonstration assessment. A student will be charged a \$50.00 advanced standing credit fee along with a \$25.00 per hour assessment fee to cover the cost of the test administration. Students may apply for advanced standing through a program instructor, the student services director or counselor.

Transcripts from other schools, colleges, and accredited institutions will be evaluated by the Administration and the instructor involved, and credit may be granted for appropriate units of instruction.

If prior or advanced standing credit is granted to the student for previous education or training experiences such credit will be documented in the student's file, and the student will not be charged tuition for the advanced standing credit hours.

III – I PRIOR EXPERIENCE CREDIT EVALUATIONS

Due to the nature of the training at this school, it is unlikely that any previous education or training will be granted. However, the school will collect and evaluate all previous military education and training of all VA beneficiaries and will clearly indicate if appropriate credit has been granted after the evaluation. Both previous education and training transcripts from previously attended school and veteran military transcripts (Joint Services Transcripts, CCAF transcripts, VMET's etc.) must be provided for evaluation within 30 days of program enrollment. VA student certifications will be terminated if these documents are not provided within 30 days of enrollment.

If prior or advanced standing credit is granted to the student for previous military experiences such credit will be documented in the student's file, and the student will not be charged tuition for the advanced standing credit hours.

III – J CAREER TECHNOLOGY COURSES AND HIGH SCHOOL GRADUATION REQUIREMENTS POLICY

In as much as the Oklahoma State Board of Education has approved specified courses of study taken at Career Technology Centers to count as math and/or science credit in meeting the requirements for high school graduation, the Board of Education hereby adopts a policy commensurate with the actions of the Oklahoma State Board of Education.

Southwest Technology Center shall submit grade reports to the high schools of partner school districts at the end of each grading period. Qualifying courses of study for math and/or science credit will be noted for partner high schools with regard to awarding appropriate math and/or science credit in meeting the requirements for high school graduation as approved by their local boards of education.

Criteria stipulated in the publication Oklahoma Requirements for High School Graduation requires such courses of study be taken in the eleventh or twelfth grade, taught by a certified teacher, and approved by the State Board of Education and the independent district board of education. In as much as the State Board of Education has approved these courses of study with the aforementioned criteria, the policy of Southwest Technology Center Board of Education is to insure the criteria is met before certifying grades to high schools for consideration in meeting the requirements for high school graduation.

Applicable courses of study at Southwest Technology Center are:

Computer Technology – Business Computer Technology. Courses that may apply based on approval by sending school are the following: HST- Anatomy & Physiology. Bio-Med - PLTW courses as a Science credit.

III – K PRIOR LEARNING ASSESSMENT

Students can receive college credit hours towards an Associate of Applied Science Degree utilizing Prior Learning Assessment (PLA) credit and completing 12 hours of credit at Western Oklahoma State College or other participating higher education institutions.

Biomedical Sciences-Credit earned through concurrent enrollment.

III – L REGISTERED SEX OFFENDER/FELON

Southwest Technology Center is a small campus with all students, high school (minors) and adults, having access to each other during the day. Based on the commingling of populations due to program access and common facilities, Southwest Technology Center daytime programs and activities are not available to a registered sex offender under Oklahoma’s Sex Offenders Registration Act. To determine this status, the question, “Are you a registered sex offender?” is part of Southwest Technology Center’s enrollment/application form. Evening Adult Career Development (ACD) classes are available for enrollment.

Southwest Technology Center trains for a variety of career programs, some of which deny industry certification to felons. Based on those industry workplace training requirements, felons are not admitted to those career training programs. In order to make this determination, prospective students are asked the question, “Have you ever been convicted of a felony? If ‘yes’, explain and provide the name, address, and contact information of your most recent pardon and parole officer.” An inquiry will be made regarding rules and conditions of pardon and parole, and access to an education/training environment that includes minor children.

SECTION IV - INSTRUCTION

IV - A TUITION AND FEES

There is no charge for in-district secondary students. Senior students attending Southwest Technology Center for the first time may be eligible to return for the second year of a two-year program without paying tuition if they enroll the first semester immediately following graduation from high school. Tuition for in-district adult students is \$2.50 per clock hour of instruction. In-district students are those students residing in the school districts of Altus, Blair, Duke, Granite, Hollis, Navajo, and Olustee-Eldorado. Out-of-district adult students will be required to pay \$5.00 per clock hour. The cost to the student will depend on the number of clock hours for each program, and this varies. Tuition covers instructional costs only. Other fees may be assessed for books, supplies, graduation, etc., and will vary according to each program.

By the end of your first week in class, all tuition paying students must pay the tuition due or make arrangements for payment with the business office. For those who are receiving financial aid, a late payment agreement must be made until financial aid is processed. At the beginning of your second week, those who have not done so will not be admitted to class.

ANY STUDENT WHO ENTERS INTO A CONTRACTUAL AGREEMENT FOR PAYMENT OF TUITION WILL BE REQUIRED TO HONOR THE TERMS OF SUCH AN AGREEMENT. FAILURE TO DO SO WILL RESULT IN TERMINATION FROM THE PROGRAM. A STUDENT WILL BE DEEMED DELINQUENT IF HE/SHE BECOMES OVER 30 DAYS PAST DUE ON THEIR PAYMENT SCHEDULE AND SUBJECT TO DISMISSAL AT SUCH TIME. ALL STUDENT’S TUITION, FEES, AND BOOKS MUST BE PAID IN FULL BEFORE THE STUDENT WILL BE ELIGIBLE TO RECEIVE A COMPLETION CERTIFICATE AND/OR TRANSCRIPT BEFORE HE/SHE MAY ENROLL IN ANY FUTURE CLASSES AT SWTC.

There will be a \$25.00 fee charged for any returned check.

IV – B TUITION REFUND POLICY AND TITLE 38 REFUND POLICY

If a tuition paying student is dropped or withdraws prior to attending 60% of a semester/trimester, that student will be given a refund based on actual hours attended. Conversely, a student who withdraws after attending 60% of the semester/trimester **will not** be entitled to a refund. The unused portion of any tuition paid in excess of a \$20.00 administrative fee will be refunded according to the following scale:

Number of hours attended * \$2.50/hr (in-district) = Cost of Tuition
(Including absences) \$5.00/hr (out-of-district)

Tuition paid - Cost of tuition = Amount of Refund

There is no refund on books, supplies, uniforms, or items that cannot be used due to health and sanitary reasons.

Students Termination of Training form must be properly completed and signed by the student and returned to the business office prior to a tuition refund check being issued. Students must personally present ID and sign for the refund check at the time it is picked up.

Return of Title IV repayment formulas will be used for all students receiving Pell Grants in all long term programs. Please see the ‘Title IV Return of Funds’ section of this handbook for calculations and additional information. For VA Educational Beneficiaries, Title 38 refund policies will be followed. Please see the ‘VA Educational Assistance Beneficiaries Policies’ section of this handbook for detailed information.

The student can expect a refund to be mailed to him/her within (20) working days if he/she has provided the school with a forwarding address. Should a student believe the individual circumstances warrant exceptions from this published policy the student may appeal in writing to the Chief Financial Officer. The appeal must be addressed to Southwest Technology Center, Chief Financial Officer, 711 W. Tamarack Rd, Altus, OK 73521.

VA REFUND POLICY-TITLE 38:

For VA students, SWTC maintains a refund policy under the provisions of Title 38 that provides a refund for the unused pro-rated portion of tuition, fees, and other charges in the event that the VA student fails to enter the course, withdraws, or discontinues enrollment at any time prior to completion. Students may be in debt for early withdrawal or incompleteness. This policy provides that the amount charged to the Title 38 VA student for tuition for a portion of the course shall not exceed the approximate pro-rata portion of the course’s total length. An established administrative fee in the amount of \$20.00 need not be subject to proration. Refunds must be completed within 40 days per the Code of Federal Regulation (CFR) 21.4255

Information regarding Veteran’s Educational Benefits is located at:

www.gibill.va.gov

or call 1-888-442-4551 to visit with a Veteran’s Benefit Counselor to determine eligibility.

IV – C FEDERAL TITLE IV RETURN OF UNEARNED FUNDS POLICY

A student receiving Title IV financial aid understands that:

- They must be making satisfactory progress to continue Pell eligibility, and that tuition, books, and or fees owed will be deducted from each Pell disbursement.
- Students must report any changes in enrollment that may affect their financial aid.
- If a student drops or withdraws from school prior to completion or ahead of schedule, they may be liable to pay back any overpayment of Pell funds received while attending SWTC. This means that if you withdraw or are dropped by the school for any reason after receiving the Federal Pell grant money, you may have

to repay part of the grant money given to you. If you do not complete at least 61% of the hours in the payment period (subtracting all absences, even excused absences), it will be considered a grant overpayment and you will have to pay back a prorated portion of the grant money. You will be ineligible for any other Title IV aid from any school until you have paid it back.

- Students must report all financial assistance received to the financial aid office.”

Calculating Title IV Return of Unearned Funds and Repayment Formulas Used

As a general rule, grants do not need to be repaid. However, a student may have to repay a certain amount if he/she withdraws or is dismissed prior to completing more than 60% of a payment period. When a student has exhausted all leave according to the attendance policy (see the Attendance Requirements and Attendance Policy for Students on Financial Aid in this handbook, in the Financial Aid Policies and Procedures Handbook, or at www.swtech.edu; obtain a hard copy in the Counselor’s Office, the Chief Finance Officer’s Office, the Chief Operations Officer’s office, the Administrative/Business Office, or the Financial Aid Office), and a leave of absence has not been requested (or one has been requested but denied) on the 5th day of non-attendance the student will be unofficially withdrawn upon that day.

The calculation used is by payment period. A payment period consists of 450 clock hours and 15 weeks for programs of 900 clock hours or more or half the clock hours in the student’s program for programs less than 900 clock hours. The last date of attendance is the date used as the calculation for scheduled hours for the student’s attendance on the Return of Title IV Funds Calculation Worksheet. Institutional charges incurred by the student are tuition and fee charges for which the student was responsible that were assessed by SWTC for the payment period. The portion of a federal grant that the student is entitled to receive is calculated on a percentage basis by comparing the total number of hours in a payment period to the hours the student was scheduled to complete in the payment period upon the student’s last day of attendance. For example, if the student completes 30% of the payment period, he/she earns 30% of the assistance that he/she was originally scheduled to receive. This means that a percentage of the scheduled award remains unearned and must be returned to the U.S. Department of Education. Once a student has completed more than 60% of the payment period, he/she has earned all (100%) of the grant money for that pay period.

Once the student has completed more than 60% of the payment period or period of enrollment, all financial aid assistance is considered to be earned.

- Percent earned = Number of clock hours completed up to the withdrawal Date** divided by total clock hours in the payment period or period of enrollment
- Percent unearned = 100% minus percent earned

When a student receives federal financial aid in excess of earned aid, the school returns the lesser of:

- Institutional charges multiplied by the unearned percentage, or
- Title IV federal financial aid disbursed multiplied by the unearned percentage the student returns:
- Any remaining unearned aid not covered by the school
- Any grant amount the student has to return is a grant overpayment, and arrangements must be made with the school or Department of Education to return the funds.

The student can be billed for funds the institution is required to repay*Federal financial aid includes the federal Pell Grant.

****Withdrawal date is defined as the student's last date of attendance as determined by the institution from its attendance records. This also includes students who do not return from an approved leave of absence.**

A Return of Title IV funds calculation will apply if the date that the student completes is before the end date of the payment period as in the case of a student that has completed the required competencies or work in less time than expected. The guidance for this decision can be found in the Federal Student Aid Handbook, Volume 5, Chapter 1 that indicates a student is considered to have withdrawn in the case of a program that is measured in clock hours if the student does not complete all of the clock hours and weeks of instructional time in the payment period that the student was scheduled to complete.

Once the amount of Title IV aid earned by the student and school is determined by the Financial Aid Office, the student will receive a certified letter stating how much Title IV aid was earned. The letter will also explain if the student has an outstanding balance that is owed to the school for tuition and fees. The student must realize that tuition and fees may be offset from the amount earned by the student.

Upon withdrawal, if the amount earned by the student is greater than the amount disbursed, then a post-withdrawal calculation is performed (see the Post-Withdrawal Disbursements section of this handbook). If the amount earned by the student is less than the amount disbursed, then a Title IV Return of Fund calculation is performed. Current regulations specify a student does not have to repay a Pell grant overpayment of \$50 or less. If the amounts earned and disbursed are equal, no further action is taken.

Example 1: A student receives a Pell grant in the amount of \$3,048 for a payment period that is 4505 clock hours in length. As of the student's last date of attendance, the hours scheduled to be completed for the payment period are 400 of the 450 hours, which is 88.9%. In this case, neither the student, nor the school owe any money back.

Aid to Be Returned

If the student receives more Pell grant monies than the amount earned, SWTC or the student, or both, must return the unearned funds. When a return of Pell grant funds is due, both SWTC and the student could have a responsibility for returning funds. Whatever funds are not returned by the school must be returned by the student. The student's repayment obligation is determined after the school's earned/unearned funds are calculated. SWTC will return all unearned funds within 30 days from the date Financial Aid Coordinator determines the student withdrew. Necessary funds will be returned to the Federal Pell Grant Program by the business office by reducing the authorization drawn from G5 or by electronic transfer payment through the G5 system.

If a student owes a repayment to the Pell Grant Program, SWTC will notify the student by certified mail within 30 days that he/she must repay the overpayment. In the notification SWTC will inform the student:

- That the student owes an overpayment of Pell Grant funds
- That the student's eligibility for additional Title IV funds will end if the student fails to take positive action by the 45th day following the date the school sent or was required to send notification to the student.

There are two positive actions a student can take to extend eligibility for Title IV funds.

- The student may repay the overpayment in full to the school within 45 days

- The student may sign a repayment agreement with the Department of Education

If the student fails to take one of the positive actions during the 45-day period, the student's overpayment will be reported to NSLDS and referred to the Department of Education for collection:

Mailing address: National Payment Center
P.O. Box 105028
Atlanta, GA 30348

The student should contact the school to discuss his/her options.

POST-WITHDRAWAL DISBURSEMENTS OF TITLE IV FUNDS

Explanation of Post-Withdrawal Disbursement

If the Return to Title IV Funds calculation determines the student received less federal aid money than the amount earned, SWTC will make a disbursement of the earned aid that was not disbursed if the student has met all other eligibility requirements (i.e. SAP, completed all hours from the previous pay period). Per regulations, SWTC will credit a student's account with a post-withdrawal disbursement for current tuition and fee costs. Earned funds in excess of tuition and fees will be provided to the student. SWTC will send notification no later than 30 calendar days after the date the Financial Aid Office determines the student withdrew. The student will then be sent a mailed notification about the post-withdrawal disbursement. SWTC will disburse the funds to the student within 45 days of the date the school determines the student withdrew. If the student cannot be located, or refuses the funds as per a written and signed statement, the funds will then be returned to the Federal Pell Grant Program. In dealing with crossover period post withdrawal disbursements, the Financial Aid Coordinator reserves the right to use the previous ISIR on a case by case basis for the benefit of the student.

SECTION V - FINANCIAL AID

Several sources of financial aid are available to students meeting specified criteria. Information is available through the Financial Aid Office.

V - A BUREAU OF INDIAN AFFAIRS (BIA)

BIA grants may provide tuition, supplies, and living expenses to individuals who are at least 1/4 Indian and listed on tribal rolls. Contact your tribal agency educational office or the American Indian Education & Training Employment Center at 1-405-521-9047 for application information.

V - B DEPARTMENT OF REHABILITATIVE SERVICES

Vocational Rehabilitation assists individuals who have barriers to employment. Services include testing, psychological evaluation, medical examination, and counseling services. In some cases, DRS pays tuition, fees, books, and supply costs. Eligibility, application, and funding is determined by the Oklahoma Department of Human Services. Contact a local Vocational Rehabilitation Counselor at 580-482-8605 for more information.

V - C NEXT EXPERIENCE IN TRAINING SCHOLARSHIP (NEXT)

Next Experience in Training (NEXT) Scholarship is for students in full time programs only. It covers up to 1000 hours of tuition for students who meet the qualifications and start the program prior to their 21st birthday. Student will be responsible for the balance, if any, of tuition and for all books, fees, equipment, tools, uniforms, and supplies.

Applicants must have been awarded a high school diploma from any in-district, public, home school and maintained a 2.5 GPA. Transcript required for application or documentation of successfully completing the high school equivalency exam.

Applicants must have completed the FAFSA application identifying SWTC school code 030087.

Application Procedures

Applications may be obtained online at www.swtech.edu in the Administrative/Business Offices or in the Counselors' Offices.

Criteria for Selecting Recipients from Group of Eligible Applicants

Student eligibility is determined by the Student Services Director and School Counselor.

1. Must reside in the Southwest Technology Center School district and provide proof of residency per SWTC policies and Consumer Information Handbook.
2. Eligibility for a scholarship does not guarantee admission into an occupational program at SWTC. Applicants must complete all admission requirements, be accepted for admission, and be enrolled before this scholarship can be awarded. There are only 2 scholarships available in each full-time program.
3. Applicant must either have a high school diploma from any in-district public or home school and have maintained a 2.5 GPA on their transcript or obtained a high school equivalency diploma and reside in the SWTC district.
4. Applicants must provide SWTC a final high school transcript with their date of graduation or a high school equivalency diploma.
5. Applicants must complete a Free Application for Federal Student Aid (FAFSA) identifying SWTC school code 030087 each year by going to www.fafsa.gov. Application must be turned in 45 days prior to start date of program to be eligible for consideration.

For complete guidelines see the application for NEXT scholarship at www.swtech.edu

Method and Frequency of Disbursements

The waiver will be applied before any tuition or fees charges are assessed to the student's account.

V - D NURSING STUDENT ASSISTANCE PROGRAM

Physician's Manpower is a nursing student scholarship/loan assistance program that is forgiven/repaid by a work obligation. Applications must be made by June 30th at <http://pmtc.ok.gov/nurses>.

V - E OKLAHOMA HB 3350 CAREER TECHNOLOGY TUITION WAIVER

HB 3350 waives tuition at career techs for children of peace officers, fire fighters, military personnel, and Oklahoma EMT's who died in the line of duty and children of members of Oklahoma Law Enforcement Retirement System who were catastrophically injured or killed in the line of duty. The law states "Such waiver of resident tuition and nonresident tuition shall be limited to a period of five (5) years."

V – F OKLAHOMA’S PROMISE/OKLAHOMA HIGHER LEARNING ACCESS PROGRAM (OHLAP)

Purpose of the Oklahoma’s Promise

This is an Oklahoma Scholarship for students that take a required list of academic classes in high school and meet a GPA of 2.5. Student eligibility is determined by the Oklahoma State Regents of Higher Education (OSRHE). Students will be required to file FAFSA for each year of attending a post-secondary education institution which will provide the required income verifications.

Application Procedures

This scholarship is applied for by the student at their high school when they are in the 8th, 9th or 10th grade.

Eligibility Requirements

Eligibility is dependent upon enrollment in a financial aid approved career option. Criteria for continued eligibility and re-establishing eligibility are based upon the same satisfactory progress requirements for PELL. Students who believe they may qualify should contact the Financial Aid Office to ensure proper procedures are taken for the student to receive their benefit.

Criteria for Selecting Recipients from Group of Eligible Applicants

Student eligibility is determined by the Oklahoma State Regents of Higher Education (OSRHE). Students must maintain required standards set by the OSRHE for the scholarship. All students who meet the eligibility requirements receive scholarships.

Criteria for Determining Amount of Student’s Aid

The amount of aid is determined annually by the OSRHE and is dependent upon enrollment in a financial aid approved career option.

Method and Frequency of Disbursement

Oklahoma’s Promise funds are credited to a student’s account each semester and if there is a credit balance a check is made and disbursed to the student.

The following program courses have been approved for Oklahoma’s Promise/OHLAP computer science credits by the State Board of Regents. Since courses are self-paced, it is important to note that the recommended time for completion is a two-year period.

Administrative Assistant

8101	Business and Computer Technology- ½ OHLAP credit	½ credit
8103	Fundamentals of Administrative Technology	1 credit
8104	Administrative Technologies II – OHLAP	1 credit
8105	Office Administration and Management – OHLAP	1 credit

Customer Service

8101	Business and Computer Technology – ½ OHLAP	½ credit
8103	Fundamentals of Administrative Technology - OHLAP	1 credit

Social Media Marketing Specialist

8101	Business and Computer Technology – ½ OHLAP credit	½ credit
8103	Fundamentals of Administrative Technologies - OHLAP	1 credit

V - G ORO Development Corporation-Jobs Plus Oklahoma

ORO is a federal program which is committed to provide access to opportunities and information for migrant and seasonal farm workers and other low-income families to gain the ability to

achieve more sufficient and productive lives within their social and economic environment. They provides employment information, job search support, financial aid, training, and educational programs to eligible persons. Applicants must meet ORO economic, employment, and geographical guidelines which are determined by an ORO counselor. SWTC is on the approved list of training providers in the state of Oklahoma. An ORO Case manager holds office hours at the Workforce Oklahoma Office (OESC) at 1115 N. Spurgeon, Altus, OK . For more information, contact the Financial Aid Coordinator or the ORO Case manager at the Workforce Okla Office at (580) 482-3262.

V - H OKLAHOMA TUITION AID GRANT (OTAG)

Purpose of the Oklahoma Tuition Aid Grant Program

The Oklahoma Legislature enacted the Oklahoma Higher Education Tuition Aid Grant Act authorizing and directing the Oklahoma State Regents for Higher Education to implement a program of Oklahoma Tuition Aid Grants. The purpose of these grants is to assist Oklahoma post-secondary students with demonstrated financial need to meet the cost of attendance at Oklahoma post-secondary institutions. Student State Incentive Grants (SSIG) are known as Oklahoma Tuition Aid Grants (OTAG) in this state. These grants pay up to 75% of the cost of tuition and fees for 10 months to eligible residents of Oklahoma.

Application Procedures

Students desiring to apply for OTAG should follow the application procedures for Title IV funds by completing a Free Application for Federal Student Aid (FAFSA) at <https://fafsa.ed.gov>. The student must complete the Oklahoma residency section in order to qualify. For best consideration, the student needs to have filed a FAFSA as soon as possible after October 1st.

Eligibility Requirements

To be eligible for a grant and to receive payments a student must:

- Meet Federal Pell Grant eligibility requirements
- Be enrolled or accepted for enrollment as post-secondary (undergraduate) student.
- Have substantial financial need as determined annually in accordance with OTAG criteria.
- Be a legal resident of Oklahoma
- Maintain satisfactory progress and attendance in his/her course of study.
- Not be in default on a student loan for undergraduate students received for attending any institution.
- Not owe a refund on a Title IV grant received from any institution.
- Sign the statement on the FAFSA that money received will be used solely for expenses related to attendance or continued attendance at SWTC.

Criteria for Selecting Recipients from Group of Eligible Applicants

Eligible applicants are funded to the limit of available funds on a first come, first served basis. Deadlines for application are established yearly. All students who meet the eligibility requirements receive scholarships. Criteria for continued eligibility and re-establishing eligibility are based upon the same satisfactory progress requirements for PELL.

Criteria for Determining Amount of Student's Aid

Grant amounts are based on:

- Financial need: awards run from 5 to 75% of tuition and fee costs for 10 months depending upon applicant's financial strength.
- Costs at the school applicant attends
- The Oklahoma Board of Regents makes final decisions.

Method and Frequency of Disbursement

Students are advised of awards by the Financial Aid Coordinator after receipt of a list from OSRHE of eligible recipients who are attending SWTC. Payment is by check, usually twice during a ten-month enrollment period. Checks are sent to the school and disbursed by the PELL Activity Fund Custodian in the Business Office.

V - I OTHA GRIMES SCHOLARSHIPS

Otha Grimes Memorial Scholarship

Purpose of Otha Grimes Memorial Scholarship

The Oklahoma CareerTech Foundation administers the Otha Grimes Memorial Scholarships which are reserved for adult students who have initiated formal training to achieve technology career objectives.

Application Procedures

Applicants must use the authorized application form provided online at <http://www.swtech.edu/financial-aid-2/> or in the Financial Aid Coordinator's office, fill it out as directed and return it to the Financial Aid Coordinator's Office by the stated deadline.

Criteria for Selecting Recipients from Group of Eligible Applicants

Scholarships are reserved for adult students who may not qualify for other scholarships or student assistance programs. Scholarships are awarded more on the basis of need and commitment, rather than on grades. Scholarships are determined by the Oklahoma Career Tech Foundation. The scholarship stipulates that the award be used toward books, tuition, and other direct expenses incurred for technology training.

Method and Frequency of Disbursements

Scholarships are awarded once each semester (Fall and Spring). Funds are issued to the school and are applied first toward tuition and fees. If tuition and fees have been paid by other sources, a check is then issued by the Business Office Activity funds custodian to the student for approved expenses.

V - J PELL GRANT

Federally funded grant program which provides funds for adult students in post-secondary educational training. For more information please see the Financial Aid Coordinator, Monica Cox in the Administrative Office of SWTC. She may be contacted at 580-480-4734 or mcox@swtech.edu or see the Financial Aid Policies and Procedures Handbook available in the Financial Aid Office, Administrative Office, or Student Services Office at SWTC.

Application Process

***SWTC's Federal Code is 030087.**

Adult students are encouraged to apply for financial aid. Students can complete the "Free Application for Federal Student Aid" (FAFSA) in print or online at <https://fafsa.ed.gov>. Identify SWTC as your school choice on the FAFSA application. Application forms can also be obtained by calling the Federal Student Aid Information Center at 1-800-4-FED AID. Students are directed to read the instructions carefully when completing the FAFSA. All records and other materials used in completing the application should be saved. This information may be needed later to prove the information submitted is correct.

The 2020-2021 FAFSA will be available for students to apply beginning on October 1, 2019.

Students and parents should report income and tax information from the prior, prior tax/calendar year. For the 2020-2021 FAFSA, students and families will use taxes and income information from the 2017 tax/calendar year.

Students can submit their FAFSA on the Web at <https://fafsa.ed.gov>, they can mail the paper FAFSA with the envelope provided in the paper form, or the FAFSA can be sent electronically through the Financial Aid Office. TTT users (for the hearing impaired) may call 1-800-730-8913.

After submitting the FAFSA, the student will receive a Student Aid Report (SAR) which includes a summary of application information and the determination of the expected family contribution (EFC). This EFC is the result of computations established by Congress involving the financial and non-financial data submitted on the application that indicates how much of your family's financial resources should be available to help pay for school. The method of computation is applied to all dependent and independent students uniformly. Students should review all the information on the SAR. If any changes are necessary, the student can make corrections online using his/her FSA ID, or the student can resubmit by mail part two of the SAR to the Pell Grant processor following the directions for making corrections on the form, or the Financial Aid Coordinator can submit the corrections electronically. After submission of any corrections, if necessary, and if the student meets all eligibility requirements, they will receive an award letter notifying them of the amount of their Pell Grant award, any required documents, and projected payment schedule.

Students who applied for financial aid the previous year may qualify to use a renewal FAFSA. The student may access the renewal application online by using their FSA ID. On the renewal the student should correct or update his or her information and submit it to the processing center. The school will receive an Institutional Student Information Record (ISIR). The student will receive a SAR Information Acknowledgement by mail in three to five working days for their inspection. The student must sign a copy of the ISIR certification, have a copy of the signed renewal notice, or have an electronically signed ISIR for their financial aid file. This ISIR will be used to determine the student's award.

Federal Pell Grant Eligibility

To be eligible for a Federal PELL Grant, a student must have an eligible EFC (Expected Family Contribution). This number is an index of the student's ability to contribute to the cost of education. Grant amounts are based upon cost of attendance, the Expected Family Contribution (EFC) and the hours a student will attend during an award year. The government provides a Payment Schedule annually to be used to determine the amount of a Pell Grant.

The neediest students will have an EFC of 0 and may be eligible for the maximum award. As the EFC increases, the amount of the award decreases and, after a certain point, the award becomes 0. The EFC cutoff index number for receiving a Pell Grant for the 2019-2020 academic year is 5577. The EFC is printed on the Student Aid Report (SAR/ISIR) which is the official notice of the student's eligibility (or ineligibility) for a Federal PELL Grant. The EFC is computed by the Central Processing System and is based on the information reported by the student on the financial aid application. Eligibility is also based upon meeting the general criteria which is listed in this handbook. All students that complete a FAFSA and are deemed eligible by the US Department of Education and the Financial Aid Coordinator will receive the Federal Pell grant amount that they are entitled to. Students may not receive a Pell Grant from more than one institution concurrently.

Eligibility Requirements

U.S. Citizen or Eligible Non-Citizen

An applicant must be a citizen or eligible non-citizen. Unless the SAR/ISIR demands it, U.S. citizens who answered yes on the FAFSA to the citizenship question do not have to verify citizenship. Permanent residents must submit proof of their status to the aid office. This proof becomes a permanent part of their file. All eligible non-citizens must submit proof of status for file. Proof includes U.S. passport stamped “non-citizen national” or “Form-I-151” (green cards.) Other forms of documentation are rare and the Financial Aid Coordinator will consult the Federal Student Financial Aid Handbook if necessary. A document verification request will be made on all aliens seeking aid.

Registered with Selective Service

A male applicant at least 18 years of age and born after December 31, 1959 must be registered with Selective Service.

Undergraduate Status

An applicant states on the FAFSA application that she/he does not have a Bachelor’s degree. Students who have bachelor degrees are not eligible for the Pell grant.

Determination of Financial Need

SWTC employs the Federal Needs Analysis Methodology in assessing financial need and eligibility for Title IV Assistance. The Federal Needs Analysis Methodology is based on the following philosophy of financial aid

to the extent that they are able, parents have the primary responsibility to pay for their children’s education

parents will, as they are able, contribute funds for their children’s education

students, as well as their parents, have a responsibility to help pay for their education

the family should be accepted in its present financial condition

A needs analysis system must evaluate families in a consistent and equitable manner, while recognizing that special circumstances can and do alter a family’s ability to contribute. Four broad categories of family resources are examined in need analysis. They are:

parent’s/student’s income

parent’s/student’s assets

number in household

number in college (post-secondary education)

Regular Student/Enrollment Status/Eligible Program Status

An applicant must be a regular student which is defined as a student who is enrolled in an eligible program (an eligible program/career option for Pell purposes must be at least 600 clock hours and 23 weeks in length) is working toward a certificate and is attending at least part-time (15 clock hours per week).

High School Diploma/GED®/HiSET®/Home School Equivalency

An applicant must have a high school diploma (this can be from a foreign school with appropriate documentation of equivalency), High School Equivalency Diploma (GED®, HiSET®, TASC®) or a home school equivalency in order to qualify for a Pell Grant.

Default/Overpayment Status

An applicant signs a statement when completing the FAFSA stating that they are not in default on federal student loans or have made satisfactory arrangements to repay it, and that they do not owe money back on a federal student grant or have made satisfactory arrangements to repay it. A student who is defaulted on federal loans or who is in Pell overpayment status is not eligible for further Title IV assistance unless and until satisfactory arrangements for repayment are made.

Students in default on loans must have a letter from the holder of the loan stating that the student has made satisfactory repayment arrangements and is eligible for Title IV funds or the Financial Aid Coordinator must receive a new Institutional Student Informational Record (ISIR) and National Student Loan Data System (NSLDS) report showing that the default status has been resolved before any funds may be disbursed.

Valid SSN

An applicant must have a valid Social Security Number. EXCEPTION: Students from the Republic of Marshall Islands, the Federated States of Micronesia or the Republic of Palau.

Satisfactory Academic Progress (SAP)

After a student's first (upon enrollment) eligibility, the student must thereafter maintain Title IV eligibility by meeting all criteria for Satisfactory Academic Progress (SAP) as set forth in SWTC's SAP policy. Please see the Satisfactory Academic Progress section of this handbook for complete information on SAP, or view the SAP policy online at www.swtech.edu.

Statement of Educational Purpose

All applicants must sign a statement on the FAFSA verifying their educational purpose (using Title IV funds only to pay the cost of attending an institution of higher education) and accuracy of information provided on the FAFSA.

Educational History of Student

If the student has attended this school in the past three award years, the Financial Aid Coordinator reviews previous files and determines whether the student was making satisfactory progress in previous course work at SWTC. If the student has attended other schools in the past, the Financial Aid Coordinator can access the NSLDS information from the SAR/ISIR concerning defaults and overpayments. If the student has attended another school and the Financial Aid Coordinator determines that it has been within the current award year, she will then access the National Student Loan Data System (NSLDS) on the web at <https://nslds.ed.gov>. If the student is a transfer student for Pell purposes, NSLDS will give the student's current year Pell disbursement and the current year scheduled award. This information will be used in award calculation.

Drug Conviction Affecting Title IV Eligibility

A drug conviction for any drug offense during a period of enrollment for which the student was receiving Title IV, HEA program funds under any federal or state law involving the possession or sale of illegal drugs will result in the loss of eligibility for any Title IV, HEA grant, loan, or work-study assistance. An applicant who has been convicted of drug-related offenses that occurred while receiving Title IV aid may not be eligible to receive federal financial aid for a period of time. These are general eligibility requirements and can be discussed with the Financial Aid Coordinator. Eligibility requirements concerning felonies that are specific to career options are discussed in the description of that career option. A student that loses eligibility will be notified in writing by the Financial Aid Office with an explanation of the loss of eligibility, as well as, information on how to regain eligibility. Please see the Financial Aid Coordinator for further information on penalties for drug offenses as they relate to title IV, HEA (Pell) grants.

IRS Data Retrieval Tool

The IRS Data Retrieval Tool allows student and parents who are using FAFSA on the Web and who have already submitted their federal tax return to electronically transfer their tax data from the IRS database. While use of this is voluntary, **students and parents are strongly encouraged to use the IRS Data Retrieval Tool** because it is accurate, efficient, and useful for verification and corrections.

Awarding Title IV Aid

The Pell Grant Program is a federally funded grant program, which, for the 2020-2021 academic year provides up to \$6,345 to full time postsecondary students and up to \$3,173 to postsecondary students who are enrolled at least half time. The purpose of the program is to provide a foundation of aid to needy students. SWTC awards federal financial aid according to federal regulations and guidelines. The method of computation is applied to all dependent and independent students uniformly.

Award Year/Academic Year

Funding for Pell Grant programs is provided based on an award year basis. The award year begins on July 1st of one year and extends to June 30th of the next year. An academic year at SWTC is one in which a student completes a minimum of 30 weeks and 900 hours of instruction. For Pell Grant payments to students, an academic year of 900 hours/30 weeks (with a payment period of 450 hours/15 weeks) is applicable to Career Options/Programs that are 900 hours or greater. For Career Options that are less than 900 hours, the payment period is one half of the total hours and one half of the total weeks of the Career Option.

EFC Formula

The Expected Family Contribution (EFC) is the amount a family can be expected to contribute toward a student's college costs. Financial aid administrators determine an applicant's need for federal student aid from the U.S. Department of Education and other sources of assistance by subtracting the EFC from the student's cost of attendance. The EFC formula is used to determine the EFC and ultimately determine the need for aid from the following types of federal assistance that SWTC participates in: Federal Pell Grants and Oklahoma Tuition Aid Grants (OTAG). The methodology for determining the EFC is found in Part F of the Title IV of the Higher Education Act of 1965, as amended (HEA).

All data used to calculate a student's EFC comes from the information the student provides on the Free Application for Federal Student Aid (FAFSA) which is submitted to the Central Processing System (CPS) for processing. The CPS sends either an electronic or paper output document called a Student Aid Report (SAR) to the student. The SAR lists the student's EFC. All schools listed on the student's FAFSA will receive application information and processing results in an electronic file called an Institutional Student Informational Record (ISIR).

There are three regular (full-data) formulas – (A) for the dependent student, (B) for the independent student without dependents other than a spouse, and (C) for the independent student with dependents other than a spouse. Also, there is a simplified version of each formula with fewer data elements.

Additional information regarding EFC formulas, accompanying worksheets, and tables are available upon request from the Financial Aid Office.

Steps in Computing the Pell Grant Award

There are five steps in computing a Pell Grant

- Determination of Cost of Attendance
- Determination of Scheduled Award
- Determination of Payment Periods

- Determination of Payment for each Payment Period
- Determination of Total Expected Disbursement

The method of computation is applied to all dependent and independent students uniformly.

The Financial Aid Coordinator determines if all application requirements have been met. If so, she uses the ISIR and the current Pell Grant Payment Schedule to determine the scheduled Pell Award and estimated disbursement. The specific computations involved in the calculation may be obtained in the Financial Aid Office.

Living Costs

SWTC does not offer institutional housing or board to its students. All students live off campus and commute. For purposes of awarding Title IV need-based assistance, the school estimates reasonable expenses over a nine-month period for the following categories of students.

Cost of Attendance/Budget Allocations

The student’s Cost of Attendance includes institutional charges such as tuition, books, supplies, and fees, in addition to student expenses that are not payable to SWTC. Additional student expenses are estimated using documentation provided by and based on the Oklahoma Department of Commerce Consumer Price Index dated December 2018 from the US Department of Labor, Bureau of Labor Statistics. Student’s may request a breakdown of the cost of attendance from the Financial Aid Office.

Student Additional Expense Budget per the Consumer Price Index

STUDENT CLASSIFICATION	TEN MONTH
Independent	\$19,125
Dependent	\$ 9,022

Determination of Cost of Attendance

Pell Grant ‘Cost of Attendance’ (COA) is used to determine Pell Grant payments to students. Cost of attendance for purposes of the Pell Grant is the cost of tuition and fees for a full time student for a full academic year plus an allowance for room and board, books, supplies, transportation and personal expenses incurred by the student for a full academic year.

Determination of Scheduled Award and Annual Award

The ‘Scheduled Award’ is the maximum amount a student can receive during an award year, if he/she attends full-time for a full academic year. The ‘Annual Award’ is the maximum amount a student can receive during a full academic year for a given enrollment status, number of clock hours, EFC, and COA. Once the Pell Cost of Attendance is determined, the Financial Aid Coordinator determines the scheduled award based on the full-time regular payment schedule for Pell Grants for the award year issued by the U.S. Department of Education. The full time chart is always used regardless of the student’s actual enrollment status. The Financial Aid Coordinator then determines the student’s annual award based on enrollment status and clock hours.

Tuition/Fees

Tuition cost is \$2.50 per hour for in-district adults and is \$5.00 per hour for out-of-district adults. For Practical Nursing tuition and fees, please see the section below. Tuition and fees for each career option are given on program sheets located in the Administrative/Business Offices, the Counselors’ Office, and may be viewed online at www.swtech.edu.

Tuition/Fees for the Practical Nursing Program

Tuition and fees for Practical Nursing are \$5,118.87 for in-district adults and \$8,096.67 for out-of-district adults. These costs include tuition and fees paid to SWTC for Practical Nursing. The tuition for the Practical Nursing Program is divided into three tuition payment periods.

Practical Nursing fees may vary for each student depending on what the student may already have available to them. Students will not be required to buy items/supplies that they already own if the items/supplies are deemed sufficient for use in the program and are approved as such by the Practical Nursing Director/Instructor. Differences in fees will be approved by the Practical Nursing Director/Instructor and will be documented for each student. Please see Practical Nursing information in the Practical Nursing Handbook in the Nursing Office or the Administrative/Business office, contact the Practical Nursing Administrative Assistant or Coordinator at 580-480-4724, or view the information online at www.swtech.edu.

Pell Grant Disbursement Worksheet and Calendar

To facilitate Pell Grant calculations, a Pell Grant Disbursement Worksheet and Calendar have been developed at SWTC. The procedures for using this worksheet are as follows

- The Financial Aid Coordinator completes the top portion with student's name, career option, dependency status, district status, and dates of attendance.
- The Financial Aid Coordinator completes the appropriate cost of attendance.
- The Financial Aid Coordinator determines the payment periods, classifies payment periods into award years and shows the expected disbursement for each payment period in the award year.
- The Financial Aid Coordinator adds the expected disbursement for each payment period to determine total expected disbursement.

This sheet becomes a part of the student's file and serves as both a worksheet and support to assist the aid Coordinator in calculations concerning days attended, why a student received a particular award, etc.

Determination of Pell Payment Periods, Including Crossover Periods and Year Round Pell

The Financial Aid Coordinator determines if the disbursement is an initial (first received) Pell disbursement. Students are paid the first time based on their enrollment and good standing if an ISIR is received prior to the end of student's first pay period. Disbursements thereafter are based on Satisfactory Academic Progress (SAP) and upon completion of the hours in the student's previous pay period. The Financial Aid Coordinator consults a calendar sheet and ascertains the beginning and ending dates of each payment period. She then determines in which award year each payment period belongs. An award year is defined as July 1st of one year to June 30th of the next year. Beginning with the 2017-18 award year, eligible students (enrolled in a career major of more than 900 hours) may receive up to 150% of their scheduled Pell award with the implementation of Year Round Pell.

Determination of Payment Per Payment Period

For each payment period classified as being part of the current award year, the formula for determining payments are clock hours in the payment period multiplied by the scheduled award from full time payment chart and divided by hours in the academic year.

Determination of Total Expected Disbursement for Regular Students

The total expected disbursement is the sum of expected disbursements for all payment periods classified as belonging to the current award year.

Award Notification

If a student meets all eligibility requirements and all required documentation is received (including verification documents if necessary) and the student's financial aid file is complete, then the amount of the grant will be calculated by the Financial Aid Office according to federal regulations. The student will then receive an award notice that contains the amount of the Pell

Grant they are expected to receive for that academic year, along with disbursement procedures. The student will be contacted by the Financial Aid Office to complete the necessary paperwork and sign their Pell Award Form/Contract.

Student Right-to-Know and Responsibilities of Financial Aid Recipients

The following information can be found in the Student policies and Consumer Information Handbook and online at www.swtech.edu. Paper copies of all information are available upon request from the Financial Aid Office.

Student Right-to-Know

- The institution's accrediting and licensing organizations
- All programs offered and detailed information regarding each program of interest
- Information about the school
- Information on the school's admissions policy
- Cost of Attendance
- Information on financial aid, including eligibility, application, and methods of disbursement
- Information on a consistent needs analysis system to evaluate families in an equitable manner
- Information on students' rights under FERPA
- How Satisfactory Academic Progress (SAP) is determined, including eligibility and appeals
- The institution's refund policy and Return to Title IV policy
- The institution's annual Campus Security Report
- Completion/Graduation, Retention, and Placement Rates
- Drug and alcohol policies
- Gainful Employment
- Net Price Calculator
- Grievance Procedures
- Copyright Infringement, Constitution Day, Voter Registration, & Vaccination Policies

Student Responsibilities

- Complete the required paperwork requested by the Financial Aid Office
- Use financial aid funds for school related expenses
- Be aware that grant or scholarship amounts received in excess of qualified educational expenses could be subject to taxation
- Report all outside aid to the Financial Aid Office
- Students, as well as parents, have a responsibility to help pay for their education
- Maintain Satisfactory Academic Progress (SAP)
- Report changes in enrollment to the Administrative/Business Office and the Financial Aid Office
- Notify the Financial Aid Office before withdrawing
- Return to Title IV any received funds the student is determined ineligible for
- Read directions thoroughly, complete all applications accurately, & comply with all deadlines
- If you don't understand the financial aid process, ask questions

DISBURSEMENTS

Disbursement of Pell Grants

Payment is disbursed by check from Southwest Technology Center. Pell Grants will typically be disbursed twice a year, dependent upon when the student enrolled in the career option and on whether the majority of the hours in a payment period fall within that award year. Students will be paid the first time based upon the fact that they are enrolled and in attendance in an approved program. Due to different clock hours for each career option, the disbursement dates vary with each student. Pell Grant funds will be applied directly to the student's account for the current school year. All financial aid funds will be disbursed by check through the Activity Fund Custodian in the Business Office. All charges, including tuition and fees for the current school year, must be paid in full before any refund will be issued to the student. If there is a credit balance after the funds have been applied, the student will receive a refund check. Students will also be notified by the Administrative/Business when checks are ready to be disbursed. The student must show a photo ID to receive his/her disbursement. NOTE: Failure to provide the necessary documents requested by the Financial Aid Office will necessitate the withholding of payment.

Please keep in mind that in order to be eligible for your Pell Grant disbursements, students must maintain Satisfactory Academic Progress - SAP (maintain a cumulative grade point average of 70% "C" or greater, maintain 90% attendance for each pay period, and keep a 150% pace of progression) and successfully complete all the clock hours and curriculum associated with the hours in each corresponding payment period. Please see the Financial Aid Coordinator for more information.

Disbursement Procedures

The students' disbursement spreadsheet (indicating the name of the student receiving funds, the amount of the Pell disbursements, amount to be paid to SWTC for tuition owed, and amount to be paid directly to the student) is signed by the Financial Aid Coordinator and respective Student Billing Administrative Assistant and forwarded to the Activity fund custodian for issuance of student checks. Once the Activity Fund Custodian in the Business Office receives disbursement spreadsheet, they request funds through G5. The funds are electronically deposited into the Pell Activity Fund. Funds are drawn from G5 and are disbursed to the student's account. SWTC never holds funds past 3 business days. Two checks will be issued from the student's total disbursement. One check for the amount of tuition and fees owed to SWTC and a second check for the remainder of Pell funds (if any) to be disbursed to the student. Checks are given to the Administrative/Business Office for disbursement to the student.

Initial Disbursements

The Financial Aid Coordinator determines if disbursement is an initial (first ever received) Pell disbursement. Students are paid the first time based on their enrollment and good standing if an ISIR/SAR is received prior to the end of student's first pay period. Disbursements thereafter are based on Satisfactory Academic Progress (see Satisfactory Academic Progress section in this handbook or view online at www.swtech.edu), and completion of hours and weeks in the first payment period.

Subsequent Disbursements

If this is a subsequent (not first ever received) Pell disbursement, the student must have maintained Satisfactory Academic Progress for the previous pay period, and must have completed all hours in the previous pay period. Please see the Satisfactory Academic Progress section of this handbook or view it online at www.swtech.edu.

Award Notification and Distribution

If a student meets all eligibility requirements and all required documentation is received (including verification documents if necessary) and the student's financial aid file is complete,

then the amount of the grant will be calculated by the Financial Aid Office according to federal regulations. The student will then receive an award notice that contains the amount of the Pell Grant they are expected to receive for that academic year, along with disbursement procedures. The student will be contacted by the Financial Aid Office to complete the necessary paperwork and sign their Pell Award Form/Contract. Awarded Pell Checks will be distributed from the Administrative office directly to the student with proper identification or through certified mail if direct contact is not available on a timely basis.

Additional information concerning PELL (FAFSA) can be found in the Financial Aid Policies and Procedures 2020-2021, available in the FA, Administration, and Student Services Offices.

V - K SOUTHWEST TECHNOLOGY CENTER FOUNDATION SCHOLARSHIP

Purpose of Southwest Technology Center Foundation Scholarship

The Southwest Technology Center Foundation Board administers the Southwest Technology Center Foundation Scholarships which are reserved for adult students who have initiated formal training to achieve technology career objectives at Southwest Technology Center.

Application Procedures

Applicants must use the authorized application form provided online at <http://www.swtech.edu/financial-aid-2/> or in the Student Services Director's office, fill it out as directed and return it to the Student Services Director's office by the stated deadline.

Criteria for Selecting Recipients from Group of Eligible Applicants

Scholarships are reserved for adult students who may not qualify for other scholarships or student assistance programs. Scholarships are awarded more on the basis of need and commitment, rather than on grades. Scholarships are determined by the Southwest Tech Foundation. The scholarship stipulates that the award be used toward books, tuition, and other direct expenses incurred for technology training.

Method and Frequency of Disbursements

Scholarships are awarded once each semester (Fall and Spring). Funds are issued to the school and are applied first toward tuition and fees. If tuition and fees have been paid by other sources, a check is then issued by the Business Office Activity funds custodian to the student for approved expenses.

V - L VETERAN'S AFFAIRS (VA) EDUCATIONAL ASSISTANCE PROGRAM

VA assistance is available for veteran's, or in some cases family members, who meet eligibility requirements and attend VA approved daytime classes at SWTC. Benefits information for each educational program, method and frequency of benefits, a list of approved training options, along with application procedures can be found at www.gibill.va.gov. Individuals who attend SWTC and expect to receive monthly educational stipends must present a copy of VA Form DD214, a Military Transcript, and a VA Certificate of Eligibility. Contact the Financial Aid Coordinator or the Veteran's Administration at 1-888-GI-BILL-1 for more information. Contact the Financial Aid Office for more information.

V- M WORKFORCE INNOVATION AND OPPORTUNITY FUNDS

WIOA is a federal program managed by ODLE which provides employment information, job search support, financial aid, training, and educational programs to eligible persons enrolled in a program leading to high demand occupations (Automotive, Aviation, Business Computer,

Construction, Welding and License Practical Nursing). The Office of Workforce Development has programs that assist individuals who are economically disadvantaged, youth (16-24 years of age) facing employment barriers, and/or qualify as a dislocated worker in need of training to obtain productive employment. Applicants must meet WIOA economic, employment, and geographical guidelines which are determined by a WIOA counselor. SWTC is on the approved list of training

V - N OTHER SCHOLARSHIPS

Other scholarships at SWTC are administered following the policies and regulations as stated by the agencies awarding said scholarships.

SECTION VI - GENERAL PROCEDURES

VI - A SAFETY

Safety is a priority at Southwest Technology Center. Each area of instruction follows safety practices appropriate to that program and in compliance with the Occupational Safety and Health Act (OSHA). Students shall comply with state law (Section 811) regarding eye protection devices worn appropriately in shops/labs/clinical sites.

VI - B FOOD AND DRINK

Food and drinks are not permitted in the hallways, classroom, and lab areas unless permission has been granted by the Chief Operations Officer. Otherwise, all food must be contained in the student center.

VI - C ENTERING/LEAVING SCHOOL DURING SCHOOL HOURS

All students are required to enter through the front entrance upon arrival for both morning & afternoon sessions at Southwest Technology Center.

Under no condition will a student leave the Southwest Technology Center campus without permission from the administration office. Requests from high school students will be considered only when verified and confirmed by the home high school principal and/or the student's parent or guardian. Those students violating this procedure will be considered truant and dealt with accordingly.

Adult students must clear departure with their instructor before leaving school during class hours. Leaving without permission can result in disciplinary action. All students must check out at the front office before leaving.

VI - D INSTRUCTIONAL CLASS SCHEDULE

Monday through Friday

Morning session is from 8:00 AM until 10:50 AM

Afternoon session is from 12:00 PM until 2:50 PM

Each session will have a ten-minute break with the exception of Cosmetology and Biomedical Sciences. Teachers will be in their classroom and available Monday-Friday from 8:00 to 11:00 am and from 12:00 to 4:00 pm.

VI - E CHANGE OF PROGRAM

High School students may change programs during the first and third quarters. These changes will be made on the following basis: (1) availability of space in another program; and (2) approval of the administration, teachers of the programs involved in the change, the local high school principal or counselor, and parents. Adult program changes will be dealt with on an individual basis.

VI – F LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is defined as a period of time which can be granted to students for circumstances which require the student to be absent from school for five (5) or more consecutive class days (not to exceed thirty (30) calendar days). A student can receive one (1) LOA in a twelve- (12) month period. Requests for additional LOAs will be considered (on a case-by-case basis) based on the nature and gravity of the incident, jury duty and/or military requirements (FMLA 1993), and or prompting the request. Requests for an extension to an approval LOA will also be considered on a case-by case basis. Application for a LOA must be made in advance. Exceptions may be considered if the student can show proper documentation that it was not possible to make the request prior to a leave of absence. If a student fails to return to school at the end of the LOA, the school must treat the LOA as withdrawal. In such an event, the effective date of the withdrawal is the beginning date of the LOA.

The Leave of Absence process should originate with the SWTC Counselor or designee. The student and counselor/designee will develop the specific details of the Leave of Absence with input from the student's instructor and the Financial Aid Coordinator (as needed). The Chief Operations Officer will approve or deny the LOA request. The student will report to Student Services upon return to classes; Student Services will notify the Instructor, Chief Operations Officer, Counselor/designee and Financial Aid Coordinator of the date of return. The counselor/designee will monitor the LOA return date and will process a student drop for failure to return.

NOTE: This Leave of Absence process does not apply to the SWTC Practical Nursing program. For information specific to the PN program, contact the Practical Nursing Director.

VI-G ATTENDANCE POLICY

The board of education believes that attendance in regularly scheduled classes is a key factor in student achievement. However, it is important for those students who are ill to stay home when sick. Students who have a fever or a measured temperature greater than or equal to 100 degrees Fahrenheit should not be at school or school activities. The board recognizes, however, that the cocurricular program of the school also has educational benefit. Therefore, it shall be the policy of this board to minimize absenteeism from regular classes while providing students the opportunity to participate in cocurricular activities.

Attendance is especially important in career-technology education programs. Instruction cannot take place when students are not present. Prospective employers always want to know about the attendance practice of our graduates. For these reasons, the following will be in effect:

This policy will apply to both secondary and post-secondary students enrolled in full-time programs at SWTC, unless the board of education has designated a more stringent attendance policy for a specific program due to the educational or certification requirements of the specific program or field of study.

In order to accommodate both traditional and block schedules, attendance will be calculated and applied to each nine-week grading period or quarter. Students will be required to be in attendance approximately ninety percent (90%) of the time. This means that a student cannot miss more than seven (7) days in a nine-week period. A secondary student who misses more than seven (7) days in a nine-week period will receive “no credit” for that particular grading period, and may be denied enrollment for the following semester if conditions warrant such action. If the student is passing at the end of the quarter, he/she will receive “NC” for the class in which the student has exceeded the absence limit. If the student is failing at the end of the quarter, the failing grade will be recorded. A secondary student who receives no credit for two consecutive nine-week grading periods will not be allowed to enroll for the following semester. An adult student who misses more than seven (7) days in a nine-week period will be dropped, and not allowed to re-enroll until the following semester.

Extenuating circumstances will be considered by the Chief Operations Officer and/or the student services coordinator in the administration of this policy. Students will be asked to provide documentation or proof of an extenuating circumstance.

Excused absence will be granted for the following reasons:

1. Personal or family illnesses
2. Medical appointments
3. Legal matters, including service on a grand, multicounty grand, or petit jury *
4. Extenuating circumstances deemed necessary by the Chief Operations Officer
5. Observance of holidays required by student's religious affiliation.

It is the responsibility of the parent of high school students and the adult students to notify the school if there is an absence for the above reasons. The school will make contact if there is not a call. If no contact is made, the parent must send a note or call the day the child returns before student can be excused. The student may promptly make up all work missed without penalty. It is the responsibility of the students, on the day of return to make arrangements to see that the work is made up.

The district will not require medical documentation to support personal or family illness that results in an excused absence. However, students will be required to make up any work that has been missed. Student absences due to a severe, chronic, or life-threatening physical or mental illness, injury, or trauma will be exempted from inclusion in the calculation of the chronic absenteeism indicator of the applicable school site so long as the determination of eligibility is made by the Chief Operations Officer at SWTC and the sending school if applicable.

A student will not be considered absent from school if:

1. They are not physically present at school but are completing work in a distance learning program or virtual online program approved by the school district and are meeting the following attendance requirements:
 - a. The student has completed instructional activities for no less than ninety (90%) of the time that services were provided in a virtual or distance learning format. Instructional activities may include online logins to curriculum or programs, offline activities, completed assignments,
 - b. The student is on pace for on-time completion of the course/program as required by the school district,
 - c. The student has completed instructional activities within the time that services were provided in a virtual or distance learning format during the academic year; or

2. They have a medical condition that incapacitates the student and precludes them from participating in instruction via alternative education delivery methods approved by SWTC administration.

VI – H SCHOLASTIC PROBATION

Any student absent five (5) days in a grading period will be placed on scholastic probation and will receive a grade of NC for “no credit”. In some circumstances a grade of Incomplete (I) may be given and a contract may be initiated between the instructor and the student to outline corrective measures. Adult (post-secondary) students not meeting the

“Satisfactory Progress” criteria will be placed on scholastic probation. An adult student will have one (1) grading period to correct the conditions of probation. If the student fails to do so, the student will be dismissed from the program. If all conditions of the probation are corrected within the following grading period (nine weeks), the student will be considered to be making “Satisfactory Progress” and probation will be terminated.

VI - I ATTENDANCE PROTOCOL

The following steps will be instituted in addressing attendance problems at SWTC.

Third absence Student will conference with Administration

Sixth absence Appeals process starts

VI - J ATTENDANCE APPEALS PROCESS

1. Write a letter of appeal to the Chief Operations Officer.
2. Include documentation for the dates that caused the student to accumulate the excessive absences.
3. The student should explain why he/she feels these absences should be waived in order to allow the student to receive credit and/or remain in the program.

VI - K TARDY POLICY

Students must be in class at the designated time or they will be counted tardy. Three (3) tardies will count as one (1) day’s absence and will be added to the total absences a student has for a particular grading period. Each grading period will be counted separately.

VI - L MAKE-UP WORK

Make up of daily grades for excused absences will be allowed. It is the student’s responsibility to obtain and turn in the make-up work within three (3) school days of the absence. If this is not done, a zero will be recorded. The options for make-up to be approved by the program instructors are:

1. Instructors will make their class or lab available between 3:15 and 4:00 p.m. for make-up work.
2. Reports pertaining to the subject being taught will be accepted as make-up (length and format to be determined by the instructor).
3. Participation in student organizational activities may be counted as make-up.

4. Any other assignments or activities deemed appropriate by the instructor.

VI - M CHRONIC ABSENTEESIM

Chronic absentee means a student who is absent 10 percent or more of the school days in the school year exclusive of a significant medical condition, when the total number of days the student is absent is divided by the total number of days the student is enrolled, and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. When a student is identified as a chronic absentee, the Superintendent or designee shall communicate with the student and his/her parents/guardians to determine the reason(s) for the excessive absences, ensure the student and parents/guardians are aware of the adverse consequences of poor attendance, and jointly develop a plan for improving the student's school attendance.

A significant medical condition means a severe, chronic, or life-threatening physical or mental illness, infection, injury, disease, or emotional trauma. Any COVID-19 related absences due to a child's medical needs will be considered a significant medical condition.

VI - N SATISFACTORY ACADEMIC PROGRESS (SAP)

Satisfactory Academic Progress Policy

Satisfactory Academic Progress (hereafter referred to as SAP) means a student must be proceeding in a positive manner toward fulfilling certificate requirements in a specific length of time. Students must be enrolled as full-time or half-time, in good standing, and making satisfactory progress according to the institutional standards before receiving Title IV assistance. Good standing means that the student is capable of enrollment or continued enrollment. Initially this means that the student is admissible to an educational program as demonstrated by high school diploma, GED, or home school equivalency. Later this means that the student is performing well enough in terms of progress, grades, and the institutional attendance policy to continue enrollment.

The institutional attendance policy states that the student may be absent no more than 10% in a pay period. For example, a student in a 420 hour pay period may be absent no more than a total of 42 hours. Three tardies will count as one absence (three hours). This 10% of absences is considered excused and will not have to be added to the student's pay period. Please see This policy is distributed to students upon enrollment and is given to all financial aid students in the form of the Disbursement Authorization document upon receiving their Financial Aid Pell Award and Disbursement Schedule.

The first disbursement of Title IV funds for first time entering students at SWTC is based on enrollment and attendance in an approved career option on at least a half-time basis and requires no progress report, provided the first disbursement is issued during the initial pay period of training for a new student. At the end of their first payment period, students must be making SAP according to the standards stated in this section of the handbook. Other students, that is students with previous course work at SWTC or students with transfer credits from other institutions, must have maintained SAP for that previous course work in order to receive initial or further assistance.

Students may take up to 50% longer than the published length (normal time) of their program/career option to complete that program/career option and still be regarded as being in good standing. However, a student WILL NOT BE ELIGIBLE for additional Title IV federal financial aid once he/she has received aid for the total number of approved hours in the program/career option.

Example: A student is enrolled in a 600-hour program/career option. The maximum time a student can attend SWTC in that 600 hour, 20-week program/career option is 900 hours or 30 weeks. An eligible student would receive Title IV aid for the 600 clock hours, but the student could take an additional 10 weeks to complete the program/career option if the student was not able to complete the program/career option in 600 clock hours (provided that space is available in the class); however, that student WILL NOT receive Federal Financial Aid for the additional 10 weeks. In no instance can the student receive aid for more hours/weeks than those for which the program/career option is accredited/approved.

Satisfactory Academic Progress (SAP) Components

There are three components to SAP: qualitative, quantitative, and attendance.

Qualitative Component (Grade Based)

Each student's cumulative grade will be reviewed at the completion of the scheduled clock hours and weeks for that payment period using a progress report provided to the instructors by the Financial Aid Coordinator and then returned to the Financial Aid Coordinator by the student's instructor. Students must maintain a cumulative grade of 70% "C" or better for all past course work. If the student's grade is below a "C," then the student will be placed on Financial Aid Warning status. A grade of "I" for incomplete is regarded as unsatisfactory academic progress for the purpose of Title IV aid administration.

Quantitative Component (Time Based)

The maximum time frame for completing a program is no more than 150% of the program's stated length in accordance with the student's enrollment status (i.e. full-time or part-time). The increment for measuring a student's progress will be each payment period. A student must be proceeding in a positive manner toward fulfilling certificate requirements in a normal length of time. At SWTC this means the student must have completed a minimum of at least 67% of the scheduled learning objectives/course work for the payment period. The pace of progression is calculated by taking the cumulative number of clock hours completed and dividing it by the cumulative number of clock hours attempted/scheduled to be completed. If a student is not progressing at a pace which will fall within the 150% time frame, the student is NOT considered to be making satisfactory progress and will be placed on Financial Aid Warning status.

Attendance Component

Students must have acceptable attendance for each payment period. Acceptable attendance is defined in the Student Handbook as missing no more than 10% of any pay period, documented or undocumented. Up to ten percent (10%) absence of enrolled hours in any one semester and/or payment period is considered excused. Withdrawal from a course does not eliminate the SAP requirements. Students who exceed the percentage of absences allowed in their payment period will be placed on Financial Aid Warning Status.

Monitoring Process and Progress Reports

SAP is monitored upon completion of the scheduled hours and weeks in each pay period using progress reports issued by the Financial Aid Coordinator to the student's instructor. For example, a full-time student enrolled in a 600 hour/20-week career option will have a progress report upon completion of the first 300 hours and 10 weeks. The second progress report will be made upon completion of the last 300 hours and 10 weeks in that career option. When an interval spans a period of non-enrollment, progress will be assessed at the point where attendance recommences. The Financial Aid Coordinator attaches the student's attendance from a printed report obtained from the student accounting system to the progress report. The progress reports are filled out by

the instructor indicating the student's cumulative grade, verifying student's attendance, and the student's completion of 67% of the program's/career option's learning objectives. The instructor then gives the progress report to the Financial Aid Coordinator and she determines if the student is meeting SAP standards for that payment period. Additionally, the student must successfully complete all the clock hours and curriculum associated with the hours in each corresponding payment period before receiving the next scheduled Pell grant disbursement.

Financial Aid Warning and Suspension Status

If a student receives a progress report that is not in compliance with the SAP requirements as outlined above, the student will be informed in writing about his/her failure to maintain SAP. The first time a student does not meet SAP requirements he/she will be placed on Financial Aid Warning Status for the next pay period. There is no appeal process necessary for the warning status. The student may continue to receive Title IV aid for one warning period. During the warning period, the student must maintain all SAP requirements. Students who fail to maintain SAP during the warning period will then be placed on Financial Aid Suspension and will be suspended from receiving further Title IV financial aid at SWTC.

Re-Establishing Financial Aid Eligibility after Being Placed on Financial Aid Suspension

A student who is placed on financial aid suspension due to failure to meet SAP during a warning period will be informed in writing of his/her suspension status and Title IV financial aid for that student will be suspended at SWTC. A student who has been placed on financial aid suspension after failing to meet SAP during a warning period may file an appeal to have their Title IV funds reinstated. If an appeal is denied, the only way that a student can become eligible for aid is to once again meet SAP requirements in a pay period for which they are responsible for their tuition and/or fees which are to be paid by the tenth day of the next pay period unless other arrangements are made and agreed upon by the business office and the Chief Operations Officer. If the student whose appeal has been denied comes back into compliance with the SAP standards during this financial aid suspension payment period, then they may once again become eligible for financial aid assistance for the next payment period, but will continue to be on probation status for all following pay periods.

Appeal Process after a Suspension

Students who have been placed on suspension and have been denied Title IV aid on the grounds of not meeting SAP during their warning period have the right to appeal the aid denial. To appeal, a student must file a written request within 5 days of receiving written notification by the Financial Aid Coordinator of their financial aid suspension status. The appeal form can be found in the Financial Aid Coordinator's office. The student's appeal should include information and/or evidence as to why the student failed to make SAP and should also include what has changed that will now allow the student to make SAP at the next evaluation period.

Also included in the appeal should be any mitigating circumstances which contributed to the suspension status. Mitigating circumstances may include, but are not limited to, serious illness experienced by the student, accident resulting in severe injury to the student, or death in the student's immediate family. Other circumstances may be classified as mitigating if they are serious in nature, prevent the student from attending classes, and are deemed to be so by the Financial Aid Appeal Committee. (The Financial Aid Appeal Committee is made up of the student, an instructor, Counselor, Financial Aid Coordinator, Chief Financial Officer, Chief Operations Officer and a neutral party designated by the Chief Financial Officer).

The Financial Aid Appeal Committee will meet in person with the student and the written appeal will be reviewed by the committee. If the committee believes it necessary, they may require the

student to provide further documentation (such as a letter from a doctor) to substantiate or explain the mitigating circumstances. The student will be informed in writing within five school days as to the status of the appeal. The student will then either be denied further Title IV aid on the grounds of unsatisfactory progress or Title IV aid will be reinstated. If the appeal is granted and the student's aid is reinstated, he/she must still complete all hours in the previous pay period if hours are still owed before receiving additional aid. A student who has been granted an appeal will now be on Financial Aid Probationary Status and must continue to make SAP during all subsequent payment periods. (Please see the Financial Aid Probation Status section in this handbook.)

By granting an appeal, the Financial Aid Appeal Committee has agreed that the student will be able to make SAP by the end of the next payment period. In some cases, a student may be placed on an academic plan that will ensure the student's ability to meet SAP standards by a specific point in time during the next pay period. If it is felt by the Financial Aid Appeal Committee that an academic plan is needed, the plan will be provided in writing by the instructor and will be signed by the Financial Aid Appeal Committee and the student. The academic plan will then become part of the student's financial aid file and classroom plan of study.

If a student is denied an appeal after financial aid suspension, then that student is responsible for paying tuition and/or fees in full no later than the tenth day of the next pay period unless other arrangements are made and agreed upon by both the business office and the Chief Financial Officer. If the student whose appeal has been denied comes back into compliance with the SAP standards during this financial aid suspension payment period, then they may once again become eligible for financial aid assistance for the next payment period, but will continue to be on probation status for all following pay periods.

Withdrawal and Incompletes

Students are given a letter grade at the time of withdrawal. Students making SAP at the time of their withdrawal who return to the same program/career option within 180 days are considered to be in the same payment period. If a student returns within 180 days no payment would occur until the student had completed the previous payment period. A grade of "I" for incomplete is regarded as unsatisfactory academic progress for the purpose of Title IV aid administration.

Repeating Coursework

If a withdrawn student re-enters the same program within 180 days, the student cannot receive payment for repeating coursework. However, in some cases where a student withdraws and re-enters the same program, the instructor may require the student to start at the beginning of the program depending on how much time has lapsed. In this case, the student can be paid for repeating coursework as the student is receiving credit for the repeated course. If a withdrawn student re-enters the same program after 180 days, they will be treated the same as a transfer student. The program hours will be reduced by the number of hours the student receives credit.

Suspended Status Student Transferring to a New Program/Career Option

A student who is suspended in a program/career option and who then transfers to or comes back to a new program/career option at SWTC and who has hours from the previous program/career option that would transfer into the new program/career option will remain on suspended status if the hours that are transferred render the student to be out of compliance with the SAP requirements. If the transferred hours do not render the student to be out of SAP compliance, then that student would be eligible for financial aid in the new program/career option. A student who is on suspended status comes back in a new program/career option in which none of the previous hours would transfer into the new program/career option is eligible for aid in the new

program/career option.

Financial Aid Probation Status

A student will be on Financial Aid Probation after having their Title IV aid reinstated following a successful appeal. A student on probation status may receive aid on this status for only one payment period. If a student fails at any time to meet SAP after being placed on financial aid probation status, then that student would once again be placed on financial aid suspension. A student who has failed to meet SAP requirements while on financial aid probation status may not file another appeal. The only way that a student can become eligible for aid is to once again meet SAP requirements in a pay period for which they are responsible for their tuition and/or fees which are to be paid by the tenth day of the next pay period unless other arrangements are made and agreed upon by the business office and the Chief Financial Officer.

VI - O PROGRESS CHECKS AND VA REPORTING POLICIES

For VA students, academics progress will be reviewed at the beginning of every calendar month. VA students who do not maintain satisfactory academic progress will be placed on Academic Probation for 30 days and the VA will be notified of this action. While on Academic Probation every effort will be made to help the student meet the minimum grade requirements. VA education benefits will be terminated if the student does not meet the minimum academic progress standards at the end of the probationary period.

VI – P STUDENT WITHDRAWAL PROCESS

Secondary Students When it becomes necessary for a secondary student to withdraw from school, they must have prior approval from the parent/guardian and home school principal and complete a Termination of Training Form. Students are given a letter grade at the time of withdrawal. Failure to complete the withdrawal process could prevent a student from re-entering SWTC at a later date.

Adult Students wishing to withdraw from SWTC prior to the end of a semester and/or financial aid disbursement period must provide notice to the school in writing. This is an official withdrawal. Adult students must obtain a termination form from the Administration Office. This must be signed by their instructor, the Chief Operations Officer or Student Services Director in order to provide the student with a record of clearance from SWTC. The termination form should be submitted to the SWTC Attendance Clerk in the Respective Administrative/Business Office or Nursing Office. Adult students on financial aid must visit with the Financial Aid Coordinator before withdrawal from school.

Students are given a letter grade at the time of withdrawal. Students making SAP at the time of their withdrawal who return to the same program/career option within 180 days are considered to be in the same payment period. The notice should contain the date the student will cease attendance and the reason for the withdrawal. Failure to complete the withdrawal process could prevent a student from re-entering SWTC at a later date.

Adult students who do not meet minimum career program or certification attendance requirements may be withdrawn from a career program. Withdrawal does not relieve students of obligations related to returning any school-owned textbooks, materials, tools, equipment, and payment of outstanding fees, including funds received from financial aid. Adult students may withdraw from the course at any time by submitting a written request. Adult students will be automatically withdrawn after ten (5) consecutive days of absence if there has been no contact with the technology center.

The official withdrawal date is the date the student has the withdrawal form signed by the administration; however, for Title IV Return of Funds Calculations, the last date of attendance is always used for scheduled hours of attendance in a pay period. After this, the following process will be followed:

- The notice will be forwarded to the student's instructor to obtain the student's grade, progress rate, and attendance at the time of the withdrawal.
- The notice will also be immediately forwarded to the Financial Aid Office if the student is on financial aid.
- The Financial Aid Office will calculate any refunds due to the Title IV program and notify the student in writing within thirty days.
- The student will be billed for any refunds due to the Federal Financial Aid programs.
- If the student has not repaid the funds within 45 days after certified mail notification by SWTC, the repayment due will be posted to the National Student Loan Database showing the student is ineligible for further funding.
- If the student has not repaid the funds within 45 days, the Collection Department of the U.S. Department of Education will be notified.

Official/Unofficial Withdrawal Date

SWTC keeps an official record of student attendance. A student that has notified SWTC of his or her intent to withdraw and completed a withdrawal form is considered to have officially withdrawn and the last date of attendance will be used for calculations of hours scheduled to attend. If a student does not return from an approved leave of absence or if a student quits attending class without notification, on the 5th day of non-attendance the student will be unofficially withdrawn and the last date of attendance will be used for calculations of hours scheduled to attend. If a student has unofficially withdrawn and SWTC does not become aware of this until records are checked at the end of an academic period, the withdrawal date will be determined within 30 calendar days of the

- the end of the payment period
- the end of the academic year, or
- the end of the student's educational program.

VI – Q DRESS CODE

It is the consensus of the Administrative and instructional staff at Southwest Technology Center that, in addition to teaching a marketable skill, the school helps students realize that society generally demands certain personal characteristics during the training period in order that they may adjust more quickly to the job responsibilities following initial employment. With this objective in mind, it is a requirement that all students enrolled in the regular day programs be clean and neatly groomed at all times. They must be appropriately dressed in relation to the occupation for which they are preparing as defined by the instructor in each program and approved by the Administration of the school.

Students are required to wear clothing and safety devices compatible to the nature of the training program. Failure to comply will lead to suspension or dismissal.

Students that represent the school on field trips will dress appropriately for the field trip or will not be allowed to participate. Students who participate in trips with a career tech student organization are expected to wear the official dress of the organization when appropriate. Only hats or caps that are of the training program will be permitted to be worn in the program area. No other hats or caps will be worn in the building, unless otherwise authorized by the Administration. Hats and caps will be removed during all assemblies.

Any type of apparel that distracts from the classroom atmosphere is considered inappropriate. **Secondary student's dress code will be in accordance with student's home school policy.** Some programs have additional requirements to accommodate the policies of educational partners that will be associated with the program.

VI – R WIRELESS TELECOMMUNICATION DEVICES

It is the policy of the Board of Education that a student may possess a wireless telecommunication device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school upon prior written consent of both the student's parent or guardian, and the superintendent or the superintendent's designee.

Upon reasonable suspicion the Superintendent, Chief Operations Officer, instructor, or security personnel shall have the authority to detain and search, or authorize the search of, any student property in the possession of the student for unauthorized wireless telecommunication devices. Students found to be using any wireless telecommunications device for any illegal purpose, violation of privacy, or to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or examinations shall be subject to discipline and the device shall be confiscated and not returned until a parent conference has been held. Students violating this rule will be disallowed from carrying any wireless communication device following the incident unless a bona fide health emergency exists.

Students found to be in possession of or using a wireless telecommunications device in violation of the rules shall be subject to disciplinary action under the student discipline policy, including but not limited to confiscation of the device, a pending parent/guardian conference, detention, or suspension. Punishment for violation will be determined by the administration on a case-by-case basis. Where appropriate, police authorities may be contacted.

Electronic devices will only be allowed to be utilized in the student center area and must be used in a respectable, responsible manner during the class break period.

Earbuds/headphones must be removed from ears before you enter the building and remain put away during class/lab time while at SWTC with the exception of breaks.

Consequences for violation:

First Offense:	Warning issued by Instructor or Administration
Second Offense:	5 school days with no classroom break
Third Offense:	1-day unexcused suspension
Fourth Offense:	Request student/parent conference for behavioral contract suspension or termination.

*(Electronic paging devices and cellular phones are identified as wireless communication devices. However, other wireless communication devices not specifically identified are included.)

***Electronics devices and cellular phones will be regulated by classroom and lab policy.**

SWTC will not be responsible for lost or stolen electronic devices.

VI – S TRANSPORTATION

High school students will be encouraged to ride buses to Southwest Technology Center. Buses

will depart from the home school on a regular schedule at a designated place. Students will be returned to their respective high school immediately after classes. Buses will load and unload at pre-designated areas. Students may continue to enjoy riding the bus as long as they adhere to the policies regarding student behavior while on the bus.

VI – T CLASS CANCELLATIONS DUE TO BAD WEATHER

In the case of severe weather, the official announcements for Southwest Technology Center closing or any change in the normal school day will be broadcast over local radio stations, Channel 7 out of Lawton, the local TV channel, Facebook and on the SWTC Remind App. To join the Remind App, you can text to 81010 and in the message you will type @926HBG. When your home school is out for bad weather, Southwest Technology Center's buses will not run.

VI – U STUDENT VEHICLES

Students may drive their own cars to the school at their own risk of personal or property damage. Students who do not follow the listed rules shall lose campus-driving privileges. Cars should be locked when not in use. **The school is not responsible for damage or theft of personal articles in the automobiles or elsewhere.**

The following regulations must be observed by student drivers:

1. Maximum speed on campus is ten miles per hour.
2. **All full time students must park in the South main parking lot.** *Exception: Adult students enrolled in the LPN Program may park in the East overflow parking lot.*
3. Parking is not permitted in the fire lanes.
4. Park correctly in the parking lot; do not take up more than one parking space.
5. Do not park in restricted areas. Only the handicapped are to park in the designated spaces for the handicapped. A permit may be obtained by contacting the Oklahoma Department of Public Safety.
6. Students will not be allowed to return to their cars during break time or class time.
7. Students are not allowed to remain in their cars upon arrival at school or after class.
8. Selling merchandise from the parking lot is prohibited.
9. No loud music will be permitted.

*Failure to comply with the above rules will result in loss of driving privileges.

VI - V PERSONAL PROPERTY

It is the responsibility of each individual to care for and safeguard personal belongings and at no time is the school responsible for items lost or stolen.

VI - W USE OF THE TELEPHONE

Students will only be permitted to receive phone calls of an **emergency** nature routed through the administrative office.

Students needing to make a call of an **emergency** nature will be permitted the use of a telephone in the administration office.

Students **will not** be allowed to use the phone during class time.

VI - X CARE OF SCHOOL TEXTBOOKS AND EQUIPMENT

A considerable amount of money has been spent on textbooks and equipment. Students are

responsible for the care of all school owned property that is assigned to them. If items are lost, destroyed, or stolen students will be charged the purchase price for replacement.

Adult students will purchase all necessary textbooks and instructional materials through the Administrative Office.

VI – Y SWTC FACILITY WALLS

The display of notices, signs, pictures, etc., are limited to bulletin boards and designated areas. Taping and tacking notices and signs to the walls have a deteriorating effect on the surface and are prohibited. Contact the maintenance personnel if you are in doubt as to how and where to display notices/signs. Thank you for assisting in the maintenance of our great facility, for the present and into the future.

VI – Z EMERGENCY DRILLS

Southwest Technology Center has a warning system set up which will be used in case of fire, severe weather activity, or other emergencies. Evacuation plans for fire and storm drills are posted in each room. Students are to be familiar with emergency procedures. Emergency drills will be practiced periodically during the school year.

VI - AA CONTAGIOUS AND INFECTIOUS DISEASE

Students having any communicable disease, or living with persons thus affected, are not permitted to remain in school, unless specifically authorized by a local health authority. In all cases, the school officials are governed by the order of the local health officer, State Board of Health regulations, and Southwest Technology Center Board of Education policies.

VI - BB CAMPUS SECURITY POLICIES AND PROCEDURES

The Crime Awareness and Campus Security Act of 1990 was signed into law on November 8, 1990. Commencing August 1, 1991, Southwest Technology Center is required by federal statutes to collect data on any type of crime which occurs on campus. This information will be made available to any student or employee, any applicant for enrollment or employment, upon request beginning September 1, 1992 and each year thereafter.

VI - CC POLICIES AND PROCEDURES FOR REPORTING CRIMES ON CAMPUS

For a crime in progress, contact the nearest school official or employee. They will notify the proper local authorities or place emergency telephone calls if needed. The administration at Southwest Technology Center will determine what action needs to be taken given the severity of the crime. A Campus Security Report Form will be completed as a follow-up to the crime that has taken place. To report a crime that has taken place, a Campus Security Report Form must be filled out. These can be obtained from program instructors or from the Administration Office. This form will be turned in to the Administration Office at SWTC. Proper authorities will be notified as needed. Any crime or criminal activity reported or witnessed will be subject to state, federal, and local laws regarding prosecution and/or jurisdiction.

Southwest Technology Center does not employ security personnel but does maintain a working relationship with local and county law enforcement officials. SWTC will make every attempt to notify police officials in a prompt and timely manner regarding any criminal activity on campus. Students and employees will be kept aware of campus security policies and procedures through

student orientations at the beginning of each school year and for employees during the annual staff development in-service.

VI – DD CAMPUS SECURITY REPORT

This report is intended to promote campus safety at SWTC and will be distributed to the student body via the student handbook at the beginning of each school year. Information provided in this report is for prospective students, current students, and employees.

	2015	2016	2017	2018	2019
Murder/non-negligent manslaughter	0	0	0	0	0
Negligent manslaughter	0	0	0	0	0
Sex Offenses (forcible & non-forcible)	0	0	0	0	0
Robbery	0	0	0	0	0
Aggravated Assault	0	0	0	0	0
Burglary	0	0	0	0	0
Motor Vehicle Theft	0	0	0	0	0
Arrest or Discipline for Weapons	0	0	0	0	0
Liquor and/or Drug Abuse Violations	0	0	0	0	0

In addition to preventing crime, considerable effort is devoted to crime intervention. All reported crimes will be investigated immediately, with notification of the proper authorities. Follow-up investigations will be conducted in an effort to identify the offender(s).

Violence against Women Act (Clery Act) Compliance

SWTC is aware of the Violence Against Women Act (VAWA) of 1994 and the amendments to the Clery Act and understands the importance of these two act and therefore intends to comply with both of these acts. All employees of SWTC are responsible to report allegations of Clery Act crimes that are **directly** (not rumored or overheard) reported to them in the capacity as an employee of SWTC to Chief Operations Officer or Student Services Director if the COO is not immediately available. Employees are not responsible for investigating or determining whether a crime took place; or to apprehend the alleged perpetrator of the crime. These are the responsibility of law enforcement.

Clery Act and Violence Against Women Act crimes are defined as:

1. **Criminal Offense**-Criminal Homicide, including Murder and Non-negligent Manslaughter, and manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.
2. **Hate Crimes**-Any of the above-mentioned offenses, and any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were motivated by bias;
3. **VAWA Offenses**-Any incidents of Domestic Violence, Dating Violence and Stalking. (Note that Sexual Assault is also a VAWA Offense but is included in the Criminal Offenses category for Clery Act reporting purposes); and
4. **Arrests and Referrals for Disciplinary Action for Weapons**-Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations and Liquor Law Violations.

VI - EE MEDICAL EMERGENCIES

If a student has an injury or sudden illness while at SWTC, he/she should notify the instructor immediately for further direction. Students who are ill will need to check out at the office before leaving the campus. The campus office will contact a parent or guardian before secondary students are allowed to leave school. SWTC staff will not issue medication or perform medical treatments to any student, minor, or adult. Students are allowed to administer medications or medical treatments within the facility when the following form has been completed and turned into the administration office prior to any treatment or medication being given. This form will remain in the student academic files located in the administration office.

VI - FF CERTIFICATION

Competency Certificates are awarded to students who successfully complete the full-time programs. This certificate will indicate proficiency in areas completed by the student as well as those where competency has not been demonstrated. Students must be in compliance with the school's attendance policy to receive a certificate.

VI – GG SWTC-GRADUATION REQUIREMENTS

Students who are enrolled in a fulltime program will be able to participate in graduation ceremonies if the following conditions have been met:

1. Student is in compliance with attendance policy
2. Adult students have no outstanding debt to the business office.
3. Student has passed all courses within a program.
4. Student has completed a program that has a minimum of 720 hours or a program that is only 1 year in length.

Upon prior approval, the Chief Operations Officer has the authority to review any special circumstances which may allow a student to participate in the ceremonies.

VI - HH PROGRESS REPORTS/STUDENT EVALUATION

An academic progress report will be sent to the adult students and parents or guardians of secondary students shortly after the halfway point of each nine (9) week grading period. This report may also be sent to the home school officials. The progress report will indicate if a student is progressing satisfactorily or unsatisfactorily at that point of the grading period.

VI - II GRADE REPORTS

Grade reports will be issued to the student by the end of the week following the nine (9) week grading period. Grades of secondary students will be sent to their home high school for recording on permanent records. Daily attendance will be included on the report.

VI - JJ GRADING SCALE

A student's grade for a nine (9) weeks period is derived from his/her performance on class assignments, tests, technical skills on laboratory assignments, etc. The grading scale for Southwest Technology Center is as follows:

A	90 – 100
B	80 - 89
C	70 - 79
D	60 - 69
F	Below 60
I	Incomplete
W	Withdrew

*A grade of "I" must be made up within the next grading period or it will automatically become an "F" grade

VI – KK CODE OF CONDUCT FOR INTERNET AND OTHER COMPUTER NETWORK ACCESS

The purpose of providing internet and other computer network access at Southwest Technology Center is to promote the exchange of information and ideas with the global community. The following represents a guide to the acceptable use of the technology provided by this district. All network use must be consistent with the policies and goals of Southwest Technology Center. Inappropriate use of district technology will result in the loss of technology use, disciplinary action, and/or referral to legal authorities. The district may monitor use of district technology at any time. All Internet and computer network users are hereby informed that there shall be no expectations of privacy in that school officials may monitor users at any time

All internet and other computer network users will be expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Messages should not be abusive to others.
2. Take pride in communications. Check spelling and grammar.
3. Use appropriate language. Do not swear or use vulgarities or any other inappropriate language, symbols or pictures.
4. Protect password confidentiality. Passwords are not to be shared with others. Using another user's account or password or allowing such access by another may be permitted only with the approval of the system administrator.
5. Do not reveal your personal address or telephone number to anyone. No Student information protected by FERPA should be electronically transmitted or otherwise disseminated through the network.
6. Do not disguise the point of origin or transmission of electronic mail.
7. Do not send messages that contain false, malicious, or misleading information that may be injurious to a person or a person's property.
8. Illegal activities are strictly prohibited: transferring offensive or harassing messages; offering for sale or use any substance the possession or use of which is prohibited by the school district's staff and student policies; viewing, transmitting, or downloading pornographic materials or materials that encourage others to violate the law; intruding into the networks or computers of others; and downloading or transmitting confidential, trade secret information, or copyrighted materials.
9. The district technology is not to be used for playing multi-user or other network intensive games, commercial ventures, Internet relay chat lines, or downloading excessively large files.
10. No charges for services, products, or information are to be incurred without appropriate permission.
11. Do not use the network in such a way that you would disrupt the use of the network by other users.
12. Users shall respect the privacy of others and not read the mail or files of others without their permission. Copyright and licensing laws will not be intentionally violated.
13. Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy hardware, data of another user, Internet, or any other agencies or other networks that may be accessed. This includes, but is not limited to, the uploading or creation of computer viruses.
14. Report security problems to the supervising teacher or system administrator.
15. Violators of this policy shall hold the district, including its employees and agents, harmless against any and all causes of action, damages, or other liability resulting from the willful or negligent violation of this policy.

SECTION VII - STANDARDS OF BEHAVIOR HARRASSMENT, INTIMIDATION AND BULLYING

VII - A STUDENTS' BEHAVIOR ON SCHOOL BUSES

Students may continue to enjoy the privilege of riding the bus as long as they adhere to the policies regarding student behavior while on the bus. When a bus driver has difficulty maintaining discipline on a bus, the driver will notify the Superintendent's office regarding the problem as soon as is feasible following the end of the bus route. A conference with the student regarding the problem will be scheduled in an attempt to remedy the problem. Buses are equipped with recording devices that may be used to determine behavior situations. If this procedure fails to bring about cooperation, and a student continues to give trouble on the bus, the Superintendent may deny the student the privilege of riding the school bus. The parent/guardian and home school will be notified if such action is necessary

VII - B DISCIPLINE AND STUDENT BEHAVIOR

Southwest Technology Center believes that the primary function of the school is to educate students. We further believe that students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

Education includes establishing norms of acceptable social behavior and assisting students in understanding and attaining those norms. From time to time, it will be necessary for the benefit of the individual and of the school for the faculty and administrators to enforce corrective actions for breaches in acceptable behavior.

The teacher or administrator shall have the same right as a parent or guardian to control and discipline a student while the student is in attendance at Southwest Technology Center or in transit to or from Southwest Technology Center or while attending or participating in any school function authorized by Southwest Technology's school district (70 O.S. 6-114, School Laws of Oklahoma).

Each student shall be treated in a fair and equitable manner. The severity of the disciplinary action will be based upon a careful assessment of the circumstances surrounding each infraction.

The following are some examples of these:

1. The student's attitude
2. The seriousness of the offense
3. The effect of the offense on other students
4. Whether the offense is physically or mentally injurious
5. Whether the incident is isolated or habitual behavior
6. If the behavior infraction is caused by a handicap
7. Any other circumstances which may be appropriately considered

The following examples of behavior are not acceptable in society generally, and in a school environment particularly. When in the judgment of the teacher or administrator the behavior of a student constitutes unacceptable behavior in the following areas, corrective action will be taken. These examples are not intended to be exhaustive and the exclusion or omission of examples of unacceptable behavior is not an endorsement or acceptance of such behavior.

1. Unexcused lateness to school
2. Unexcused lateness to class
3. Contempt or disrespect for authority
4. Cheating on school work

5. Cutting classes
6. Leaving school without permission
7. Refusing detention and/or in-school suspension
8. Truancy
9. Profanity or vulgarity
10. Possessing, selling, or using alcoholic beverages or other mood-altering chemicals
11. Hazing
12. Willful disobedience
13. Conduct that jeopardizes the welfare/safety of others or is disruptive to the operation of the school
14. Bus misconduct
15. Stealing
16. Extortion
17. Assault, physical and/or verbal
18. Fighting
19. Possession of weapons
20. Distributing/possessing obscene literature
21. Destroying/defacing school property
22. Striking a teacher or other school employee
23. Forgery, fraud, or embezzlement
24. Violation of school rules, regulations or policies
25. Any violation of local, state or federal statutes
26. No Public Display of Affection allowed on SWTC property or buses.

In considering the different forms of disciplinary action, the faculty/administration of the school district will consider the following. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. Southwest Technology Center Board of Education will rely upon the judgment and discretion of the administrator and/or faculty member to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parent
3. Probationary period in-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat or class assignment
8. Temporary removal from class
9. Requiring a student to make financial restitution for damaged property
10. Requiring a student to clean or straighten items or facilities damaged by his or her behavior
11. Restriction of privileges
12. Referral to law enforcement agencies or other court related or social agency
13. Referral to counseling
14. Removal from class, group, or activity
15. Suspension
16. Expulsion
17. Termination
18. Other appropriate disciplinary action as required and as indicated by circumstances

A copy of Southwest Technology Center's disciplinary policy will be made available to a student's parent/guardian upon request.

VII - C PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING (REGULATION)

The Southwest Technology Center Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Statement of Board Purpose in Adopting Policy

The board of education recognizes bullying of students causes serious educational and personal problems, both for the student-victim and the initiator of the bullying. The board observes that this conduct:

1. Has been shown by national and state studies to have a substantial adverse effect upon school district operations, the safety of students and faculty, and the educational system at large.
2. Substantially disrupts school operations by interfering with the district's mission to instruct students in an atmosphere free from fear, is disruptive of school efforts to encourage students to remain in school until graduation, and is just as disruptive of the district's efforts to prepare students for productive lives in the community as they become adults.
3. Substantially disrupts healthy student behavior and thereby academic achievement. Research indicates that healthy student behavior results in increased student academic achievement. Improvement in student behavior through the prevention or minimization of intimidation, harassment, and bullying towards student-victims simultaneously supports the district's primary and substantial interest in operating schools that foster and promote academic achievement.
4. Substantially interferes with school compliance with federal law that seeks to maximize the mainstreaming of students with disabilities and hinders compliance with Individual Educational Programs containing objectives to increase the socialization of students with disabilities. Targets of bullying are often students with known physical or mental disabilities who, as a result, are perceived by bullies as easy targets for bullying actions.
5. Substantially interferes with the district's mission to advance the social skills and social and emotional well-being of students. Targets of intimidation, harassment, and bullying are often "passive-target" students who already are lacking in social skills because they tend to be extremely sensitive, shy, display insecurity, anxiety and/or distress; may have experienced a traumatic event; may try to use gifts, toys, money, or class assignments or performance bribes to protect themselves from intimidation, harassment, or bullying; are often small for their age and feel vulnerable to bullying acts; and/or may resort to carrying weapons to school for self-protection. Passive-target victims who have been harassed and demeaned by the behavior of bullies often respond by striving to obtain power over others by becoming bullies themselves, and are specifically prone to develop into students who eventually inflict serious physical harm on other students, or, in an effort to gain power over their life or situation, commit suicide.

6. Substantially disrupts school operations by increasing violent acts committed against fellow students. Violence, in this context, is frequently accompanied by criminal acts.

7. Substantially disrupts school operations by interfering with the reasonable expectations of other students that they can feel secure at school and not be subjected to frightening acts or be the victim of mistreatment resulting from bullying behavior.

Bullying, often involves expressive gestures, speech, physical acts that are sexually suggestive, lewd, vulgar, profane, or offensive to the education or social mission of this school district, and at times involves the commission of criminal acts. This behavior interferes with the curriculum by disrupting the presentation of instruction and also disrupts and interferes with the student-victim's or bystander's ability to concentrate, retain instruction, and study or to operate free from the effects of bullying. This results in a reluctance or resistance to attend school.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the terms "bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student, that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear of harm to the student's person or damage to the student's property; or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act placing a student in "reasonable" fear of harm, staff will determine "reasonableness" not only from the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self-esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying, for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

- A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.
- B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including, but not limited to, insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.
- C. Social Bullying includes harm to another's group acceptance, including, but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement or statements about another student that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.
- D. Sexual Bullying includes harm to another resulting from, but not limited to, making unwelcome sexual comments about the student; making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the

victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Southwest Technology Center Public Schools.

Procedures Applicable to the Understanding of and Prevention of Bullying of Students

1. Student and Staff Education and Training

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will be provided a summary of the policy and notice that a copy of the entire policy is available on request. Southwest Technology Center Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct.

Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

2. Southwest Technology Center Public Schools' Safe School Committee

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues that interfere with or adversely affect the maintenance of safe schools.

With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy BDFC.)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of bullying.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appears to constitute harassing, intimidating, or bullying. Employees, whether certified or noncertified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the Chief Operations Officer. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the Chief Operations Officer.

Parental Responsibilities

Parents/guardians will be informed in writing of the district's program to bullying. An administrative response to a bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a victim of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Discipline of Students

In administering discipline, consideration will be given to alternative methods of punishment to insure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in

disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency
13. Suspension
14. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

Publication of Policy

Annual written notice of this policy will be provided to parents, guardians, staff, volunteers, and students with age-appropriate language for students. Notice of the policy will be posted at various locations within each school site, including but not limited to, cafeterias, school bulletin boards, and administrative offices. The policy will be posted on the school district's website at www.swtech.edu and at each school site that has an Internet website. The policy will be included in all student and staff handbooks.

CROSS-REFERENCE: Policy BDFC, Safe School Committee

VII - D HARASSMENT

It is the policy of this school district bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district Bullying of students by electronic communication is prohibited whether or not such communication originated

at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school.

As used in the School Safety and Bullying Prevention Act, bullying" means any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or, electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Such behavior is specifically prohibited.

In administering discipline, consideration will be given to alternative methods of punishment to insure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency
13. Suspension
14. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse;
2. Repeated remarks of a demeaning nature;
3. Implied or explicit threats concerning one's grades, achievements, etc.;
4. Demeaning jokes, stories, or activities directed at the student;
5. Unwelcome physical contact.

The superintendent shall develop procedures providing for:

1. Prompt investigation of allegations of harassment;
2. The expeditious correction of the conditions causing such harassment;
3. Establishment of adequate measures to provide confidentiality in the complaint process;
4. Initiation of appropriate corrective actions;
5. Identification and enactment of methods to prevent reoccurrence of the harassment; and
6. A process where the provisions of this policy are disseminated in writing annually to all staff and students.

A copy of this policy will be furnished to each student and teacher in this school district.

REFERENCE: 21 O.S. §850.0 70 O.S. §24-100.2 THIS POLICY IS REQUIRED BY LAW.

VII – E PROHIBITION, INTIMIDATION AND BULLYING (INVESTIGATION PROCEDURES)

The following procedures will be used by any person for the filing, processing, and resolution of a reported incident of harassment, intimidation, bullying, or threatening behavior. The procedures are to be followed by the administration of the school district in an effort to determine the severity of the incident and the potential to result in future violence.

Definitions

1. “Bullying” means any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or Directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school’s educational mission or the education of any student.

“Electronic communication” means the communication of any written, verbal, pictorial or video content information by means of an electronic device, including, but not limited to, a telephone, a mobile or cellular telephone or other wireless communication device, or a computer.

“Threatening behavior” means any pattern of behavior or isolated action, whether or not it is directed at another person, that a reasonable person would believe indicates potential for future harm to students, school personnel, or school property.

Procedures

The procedure for investigating reported incidents of harassment, intimidation, and bullying or threatening behavior, is as follows:

1. The matter should immediately be reported to the building principal. If the bullying involved an electronic communication, a printed copy of the communication as well as any identifying information such as email address or web address shall be provided to the building principal. As much detailed information as possible should be provided to the building principal in written form to allow for a thorough investigation of the matter.

2. Upon receipt of a written report, the building principal shall contact the superintendent and begin an investigation to determine the severity of the incident and the potential for future violence.

3. If, during the course of the investigation, it appears that a crime may have been committed the building principal and/or superintendent shall notify local law enforcement and request that the alleged victim also contact law enforcement to report the matter for potential criminal investigation.

4. If it is determined that the school district’s discipline code has been violated, the building principal shall follow district policies regarding the discipline of the student. The Chief Operations Officer shall make a determination as to whether the conduct is actually occurring.

5. Upon completion of the investigation, the principal or superintendent may recommend that available community mental health care substance abuse or other counseling options be provided to the student, if appropriate. This may include information about the types of support services available to the student bully, victim, and any other students affected by the prohibited behavior. If such a recommendation is made, the administration shall request disclosure of any information that indicates an explicit threat to the safety of students or school

personnel provided the disclosure of information does not violate the provisions or requirements of the Family Educational Rights and Privacy Act of 1974, the Health Insurance Portability and Accountability Act of 1996, Section 2503 of Title 12 of the Oklahoma Statutes, Section 1376 of Title 59 of Oklahoma Statutes, or any other state or federal laws relating to the disclosure of confidential information.

6. Upon completion of an investigation, timely notification shall be provided to the parents or guardians of a victim of documented and verified bullying. This information should be provided within days of the conclusion of the investigation.
7. Upon completion of an investigation, timely notification shall be provided to the perpetrator of the documented and verified bullying. This information should be provided within days of the conclusion of the investigation.

Reports may be made anonymously. However, no formal disciplinary action shall be taken solely on the basis of an anonymous report. Reports shall be made immediately to the Chief Operations Officer by any school employee that has reliable information that would lead a reasonable person to suspect that a person is a target of bullying.

The Superintendent shall be responsible for enforcing this policy. The Chief Operations Officer should notify the superintendent within twenty-four (24) hours of any report of bullying. Upon completion of an investigation, the Chief Operations Officer should notify the superintendent of the findings of the investigation. Documentation should also be provided to the superintendent to establish that timely notification was provided to the parents of the victim and the parents of the perpetrator.

VII - F USE OF TOBACCO

Effective Monday May 21, 2012 Southwest Technology Center was established as a Tobacco Free Campus in compliance with declaration by Governor Mary Fallin. Southwest Technology Center (SWTC) will be in full compliance with Governor of Oklahoma's Executive Order 2012-01 (issued February 6, 2012) and Executive Order 2013-43 (issued December 23, 2013) prohibiting the use of any tobacco product, electronic cigarette, or vaping device throughout all indoor and outdoor areas or property owned or under the control of SWTC, including parking areas, outdoor common areas, outside buildings and in vehicles used by SWTC employees whenever conducting business anywhere.

Included in this ban are tobacco products of all types (including, but not limited to, cigarettes, cigars, pipes, chewing tobacco, snuff and all other kinds and forms of tobacco prepared in such a manner to be suitable for spit tobacco use, smoking, or both). This ban also includes herbal tobacco products (including but not limited to cloves, bidis, and kreteks) and simulated tobacco products that imitate or mimic tobacco products such as e-cigarettes, vapor cigarettes, pipes or other types of inhalation devices.

Amendment, effective July 1, 2019, additionally bans noncombustible products which may or may not contain nicotine as well as any vapor cartridge intended to be used with an E-cigarette, E-cigar, E-cigarillo, E-pipe or similar device.

VII – G PUBLIC NOTICE-ASBESTOS

Southwest Technology Center at 711 West Tamarack Road in Altus Oklahoma has been constructed of all asbestos free materials. It is in compliance with the Asbestos-Containing Materials in Schools regulation (40 CFR Part 763) of the Asbestos Hazard Emergency Response Act of 1986. The SWTC Asbestos Management Plan is available upon request in the Central Office.

VII - H SUSPENSION OF ADULT/HIGH SCHOOL STUDENTS

The central administrative staff has the authority to suspend any student who is guilty of any of the following acts while in attendance at such school, in transit by school transportation, under school supervision to, from, or at, a school function authorized by Southwest Technology Center, or when present at any facility under the control of the Southwest Technology Center. Suspension may be:

1. For the rest the of day.
2. Pending a conference with parents.
3. For a specified time or the remainder of the current school semester, and the succeeding semester.

Suspension may result because of one or more of the following violations by a student:

1. Immorality or profanity.
2. Violation of school rules, regulations, or policies.
3. Possession, threat, or use of a dangerous weapon as defined by State Statutes.
4. Assault and battery; fighting.
5. Possession of any illegal drugs, drug paraphernalia, alcohol, or any mind-altering substance deemed to be inappropriate to school.
6. Conduct, which jeopardizes the safety of others.
7. Conduct, which is disruptive to the operation of the school.
8. Truancy and/or excessive absenteeism.
9. Theft or vandalism of school property or that of a fellow student.
10. Any offense defined by State Statute.

Suspension of adult/high school students shall be in the following manner:

1. For suspension of three (3) days or less, student will be notified verbally and reasonable efforts will be made to contact his/her parents or guardian, and the home school principal, stating the reason of the suspension, the terms of the suspension, and the student right of a hearing before the Superintendent.
2. For suspension from school of longer the three (3) days, written notification will be given to the student, the home school principal, if a high school student, and the student's parents or guardian, if a minor, by certified mail, stating the reason for the suspension, the terms of the suspension and the student's right of a hearing before the Superintendent.

When students are coordinating their school day between a local school and Southwest Technology Center, suspension will be the result of the cooperation between the two (2) schools.

VII - I PROCEDURE OF APPEAL

Any student suspended from the school shall have the right to request a hearing before the superintendent.

The student shall have the right to appeal the decision of the Superintendent to the Board of Education. In the event a student desires an appeal to the Board of Education, the student shall give notice, in writing, to the Superintendent of the school within three (3) days after the meeting with the Superintendent. The student may then present his/her appeal at the next regular meeting of the Board of Education. The decision of the Board of Education is final. If such notice of appeal is not received at the designated time, the said suspension shall be considered as final.

VII - J DRUG-FREE SCHOOL AND WORKPLACE PROGRAM

Students will be required to sign an acknowledgment that they have read SWTC's Drug Free School and Workplace policy and agree to abide by it in all respects. By law, this acknowledgment and agreement are required as a condition of enrollment at SWTC.

VII - K ALCOHOL, DRUGS AND OTHER CONTROLLED SUBSTANCES

The possession or use of certain drugs is a serious violation of the law and is punishable by fine and/or imprisonment. A student is required to know the laws about drugs and is required to obey the same laws on school grounds as elsewhere. Schools are a part of society and are subject to the same laws as the rest of society. Accordingly, students and school authorities have the same responsibility as every other citizen to report violations of law. It should be noted that school discipline will be imposed independently of court action.

Students may be temporarily suspended, or given a lengthy suspension for possession or use of illegal drugs or a controlled substance, but the lengthy suspension may follow a hearing and review in the same manner as a lengthy suspension for any other offense, if proper written notice of appeal is filed by the student suspended.

When a student is suspected of being in violation of federal, state, or local law for possession, use, or distribution of any illegal drug or controlled substance, the local law enforcement agency should be immediately notified. The Superintendent or a designee should communicate all available information to the police and offer the full cooperation of the administration and faculty to a police investigation. Immediate notification will also be given to the parent or guardian.

REPORTING STUDENTS UNDER THE INFLUENCE OF OR POSSESSING NON-INTOXICATING BEVERAGES, ALCOHOLIC BEVERAGES, OR CONTROLLED DANGEROUS SUBSTANCES, CRIMES OR THE COMMISSION OF CRIMES

It shall be the policy of Southwest Technology Center School District No. 27 that any school administrator, teacher, or counselor who has reasonable cause to suspect that a student may be under the influence of or has in his or her possession:

1. Non-intoxicating beverages as defined in Section 163.2 of Oklahoma statutes;
2. Alcoholic beverages as defined in Section 506 to Title 37 of Oklahoma Statutes;
or
3. Controlled dangerous substance as defined in Section 2-101 of Title 63 of Oklahoma Statutes.

shall immediately notify the principal or his/her designee of such suspicions. The principal or designee shall immediately notify the Superintendent or a designee and the parent or legal guardian of the student regarding the matter. (Reference: O. S. Title 70 Section 133)

No officer or employee of Southwest Technology Center or member of the Southwest Technology Center Board of Education shall be subject to any civil liability for any statement, report, or action taken in assisting or referring for assistance any medical treatment, social service agency or facility, any student reasonably believed to be abusing or incapacitated by the use of non-intoxicating beverages, alcoholic beverages, or a controlled dangerous substance unless such assistance or referral was made in bad faith or with malicious purpose.

Every instructor employed by the Southwest Technology Center Board of Education, who has reasonable cause to suspect that a student is under the influence of or has in his or her possession non-intoxicating beverages, alcoholic beverages, or a controlled dangerous substance and who reports such information to the appropriate school official, shall be immune from all civil liability. (Reference: O. S. Title 70 Section 24-132.)

Any suspension and/or search of said student shall be subject to any applicable school policy, state law or student handbook regulation.

VII – L SEARCH OF STUDENTS FOR DANGEROUS WEAPONS/DANGEROUS SUBSTANCES/STOLEN PROPERTY

The Superintendent, principal, and his/her designated personnel of Southwest Technology Center, upon reasonable suspicion, shall have the authority to detain, search or authorize the search of any student or property in the possession of the student when said student is on any school premises or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school, for dangerous weapons, controlled dangerous substances, intoxicating beverages, non-intoxicating beverages (37-163.11) or for missing or stolen property if said property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities.

The search shall be conducted by a person of the same gender as the student and shall be witnessed by at least one other authorized person, said person to be of the same gender if practicable. The extent of the search shall be reasonably related to the objective of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. In no event shall a strip search of a student be allowed.

No student's clothing, except cold weather outerwear and footwear, shall be removed prior to or during the conduct of any unwarranted search. The school employees specified above have the authority to detain the student to be searched and to preserve any dangerous weapons, controlled dangerous substances, intoxicating beverages, non-intoxicating beverages or missing or stolen property that might be in the student's possession. Any student found to be in possession of dangerous weapons, controlled dangerous substances, intoxicating beverages, non-intoxicating beverages or missing or stolen property shall be suspended from school as provided in the Board policies and school handbook of the school district. Students shall be notified that they do not have any reasonable expectation of privacy towards school administrators or teachers in the contents of a school locker, desk, or other school property. School personnel shall have access to school lockers, desks, and other school property which may be opened and examined by school officials at any time, and no reason shall be necessary for such search. (H.B. 1343-1987)

Students are advised that the District may use "drug dogs" in conducting searches of persons, property, and vehicles. We cooperate with local, state and federal law enforcement agencies. Student lockers are the property of the District and may be searched at any time without the consent of the student. Student vehicles may also be searched while on the campus. If a student refuses to open a locked vehicle, the District may notify law enforcement authorities who may take action to open the locked vehicle.

VII – M ASSAULT AND BATTERY INVOLVING DISTRICT EMPLOYEES

Any District employee upon whom an assault, battery, assault and battery, or aggravated assault and battery is committed while in the performance of any duties as a school employee shall immediately notify the Superintendent or his or her designee of the incident. If the employee seeks emergency medical treatment as a result of the incident, the employee may make the report after obtaining such treatment or through a designee. All such reports must state the name of the person who committed the offense, the person upon whom the offense was committed, the nature, context and extent of the offense, the date(s) and time(s) of the offense and any other

information necessary for a full report and investigation of the matter. The report may be made orally or in writing.

The Superintendent or his or her designee will deliver a copy of this policy to the employee upon receipt of the report. The Superintendent or Superintendent's designee will investigate the incident and take appropriate action based upon the results of that investigation. The employee must cooperate in the investigation. The Superintendent will notify the State Department of Education in writing of all such incidents for the previous year on July 1 of each year or the first full business day thereafter if July 1 falls on a weekend. The Superintendent's report must include a description of the incident and the final disposition of the incident. The District will also refer appropriate incidents to law enforcement for investigation and prosecution. The District's decision to report or not to report a particular incident to law enforcement does not preclude the District employee from making a report to law enforcement.

To the extent permitted by law, the District will share information and cooperate with law enforcement in the conduct of its investigation and in any subsequent prosecution. No employee will be subject to any civil liability for any statement, report or action taken in reporting or assisting in reporting a battery or assault and battery committed upon the employee while in the performance of any duties unless such report or assistance was made in bad faith or with malicious purpose.

The District will post in a prominent place at each school site the following notice: "FELONY CHARGES MAY BE FILED AGAINST ANY PERSON(S) COMMITTING AN AGGRAVATED ASSAULT OR BATTERY UPON ANY SCHOOL EMPLOYEE."

For purposes of this policy, terms "assault," "battery," and "aggravated assault and battery" are defined as follows: An "assault" means any willful and unlawful attempt or offer with force or violence to do a corporal hurt to another. A "battery" is any willful and unlawful use of force or violence upon the person of another. An "assault and battery" becomes "aggravated" when the committed under any of the following circumstances: (1) when great bodily harm is inflicted upon the person assaulted; or (2) when committed by a person of robust health or strength upon one who is aged, decrepit, or incapacitated, as defined by law.

VII – N POLICY REGARDING INTERFERENCE WITH THE PEACEFUL CONDUCT OF SCHOOL DISTRICT ACTIVITIES

The Superintendent or anyone designated by the Superintendent or the Board of Education to maintain order in the District has the authority and power to direct any person to leave District property who is not a student, officer or employee thereof, and who:

1. Interferes with the peaceful conduct of activities on District property;
2. Commits an act that interferes with the peaceful conduct of activities on District property; or
3. Enters District property for the purpose of committing an act that may interfere with the peaceful conduct of activities on District property.

The term "interferes with the peaceful conduct" includes, but is not limited to, actions that directly interfere with classes, study, student or faculty safety, housing or parking areas or extracurricular activities; threatening or stalking any person; damaging or causing waste to any property belonging to another person or the District; or direct interference with the administration, maintenance or security of property belonging to the District.

Any person to whom this policy applies, who fails to leave District property as directed or returns within 6 months thereafter, without first obtaining written permission from the

Superintendent or anyone designated by the Superintendent or the Board of Education, shall be guilty of a misdemeanor.

Appeals Process:

After receiving a directive to leave District property under this policy, the person issued the directive may request reconsideration by taking the following steps:

The person may request review of the initial decision by letter to the Superintendent. If no written request is received within 7 calendar days of receipt of this policy, the directive will be final and non-appealable. If the Superintendent issued the initial directive to leave District property, the Superintendent will appoint another administrator to review his or her decision. The decision of the Superintendent or his or her designee will be final and non-appealable.

The Superintendent or person who issues the directive to leave District property will give or send to the person to whom the directive is issued a copy of this policy. During any appeal process, the person given the directive to leave District property must remain off school property unless the Superintendent, in writing, determines that the directive is to be stayed pending the appeal process.

VII – O MINUTE OF SILENCE POLICY

Pursuant to SB 815, passed by the Oklahoma State Legislature and signed into law by the Governor of Oklahoma (2002), Southwest Technology Center, at the beginning of each school day in which students are present in school,

“shall observe approximately one minute of silence each day for the purpose of allowing each student, in the exercise of his or her individual choice, to think, meditate, reflect, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their individual choices.”

Students or staff shall not coerce or attempt to coerce any person to engage in any particular activity during the minute of silence. The administration office will be responsible for notifying the classrooms when the minute of silence will take place each morning. The administration office will also be responsible in notifying each classroom when the minute of silence has elapsed.

VII – P CONSTITUTION DAY RESOLUTION

The Board of Southwest Technology Center does hereby adopt the following resolution regarding Federal Constitution Day.

WHEREAS: It is important that all students be aware the nature and function of the Constitution;

NOW THEREFORE BE IT RESOLVED THAT:

1. September 17 of each year shall be Constitution Day and Citizenship Day.
2. Each year, on September 17, Southwest Technology Center shall conduct educational programs, designed to highlight the historic and continuing importance of the United States Constitution.
3. When September 17 falls on a Saturday, Sunday, or holiday, Constitution Day and Citizenship Day shall be held during the preceding or following week.

VII – Q VOTER REGISTRATION

SWTC encourages student to complete Voter Registration Applications and provides the paper copy of voter registration applications in the School Counselor's office. These applications are also available at each county Election Board. Applications may be downloaded at www.elections.ok.gov

VII - R GRIEVANCE PROCEDURE FOR ALL STUDENTS

It is the desire of the administration and Board of Education of Southwest Technology Center that any complaint a student might have about a situation or procedure at the school be resolved in an informal manner. The first step would be:

1. Review with the Instructor.

- a. Discuss the problem or complaint with an instructor, a counselor or an administrator. Forms may be obtained from the Compliance Coordinator.
- b. In situations where a solution cannot be reached in this informal manner, the following steps are to be followed:

2. Review with the Compliance Coordinators.

- a. The student must file a complaint in writing. A form will be provided for the student's convenience.
- b. A review hearing will be scheduled within ten (10) school days and all individuals deemed necessary to give a full hearing to the complaint will be notified by the compliance coordinators.
- c. The review hearing will be documented and signed by all parties.
- d. If the complaint is not resolved, the student has the option of asking for a review by the superintendent or the superintendent's designee.

3. Review with the Superintendent.

- a. The compliance coordinators will give the documentation, including the student's original complaint, to the superintendent immediately.
- b. Upon receipt of the documentation the superintendent will set a time and place, at the earliest convenience for all parties involved, for the complaint review. All individuals deemed necessary for a full and complete hearing will be notified by the superintendent.
- c. The review hearing will be documented and signed by all parties.
- d. Within a reasonable time, usually not longer than thirty (30) days, the superintendent shall provide the student with a written decision, explaining what action (if any) will be taken (or proposed to the board of education, if necessary) in response to the student's complaint, and explaining the basis for the decision. The written decision shall also advise the student that, if the student is dissatisfied with the decision, the student may request a hearing with the board of education to present the student's evidence or arguments as to why the decision is inadequate and that the superintendent (or a designated administrator) should be contacted to request and discuss arrangements for a hearing.
- e. If the complaint is not resolved, the student has the option of asking for a review by the board of education. (If a satisfactory resolution of the problem is reached, the student may still choose to talk with the board of education on the matter and will be placed on the next agenda if requested.)

4. Review with the Board of Education.

- a. The superintendent will deliver to the president of the board of education all documentation of the complaint and the preceding review hearings.
- b. The hearing will be scheduled at the next regularly scheduled board of education meeting, providing there is sufficient time to include the item on the agenda. (Normally the agenda is determined one week prior to the board meeting.) The student will be advised of the date, time, and place of the meeting at which the recommendation will be considered by the board. If the student fails to request a hearing within a reasonable time, usually not longer than thirty (30) days, and the recommendation is considered by the board as scheduled, the student is not entitled to have the matter reconsidered by a later request for a hearing.
- c. The president of the board of education shall conduct the review hearing.
- d. At a hearing requested by the student, the board will provide the student with a full and reasonable opportunity to present relevant evidence, testimony, and argument in support of the student's position. The student may be assisted or represented at the hearing by another person of the student's choice, including an attorney. The hearing may be conducted in executive session.
- e. The superintendent shall notify the student of the board's decision and of the student's right to file an administrative complaint with the federal Department of Education within one hundred eighty (180) days of the action, event, or occurrence which gave rise to the student's complaint originally.

All board of education hearings shall be public unless the subject matter qualifies for a closed meeting under the Oklahoma Open Meeting Law and all parties to the complaint request a closed hearing.

VII – S SEXUAL HARASSMENT POLICY AND PROCEDURES

POLICY

It is policy that sexual harassment by any individual under jurisdiction of Southwest Technology Center is expressly prohibited. Persons determined to have engaged in sexual harassment of any kind shall be subject to disciplinary sanctions, which sanctions may include dismissal of an employee and/or of a student.

Bad faith use of this policy to harass employees or students shall be considered sexual harassment for purposes of this policy and its attendant procedures.

The Chief Operating Officer shall select at the beginning of the school year two (2) Title IX Officers of the opposite sex. The two (2) officers for Southwest Technology Center are, Director of Business and Industry Services Kerry Evans and Director of Student Services RaChel Crume. Either officer shall have the authority to handle any case involving allegation of sexual harassment referred to him or her without regard to sex of the complainant. Employees chosen by the local directors to be Title IX Officers shall be presented to the Board for final approval.

DEFINITION

Sexual harassment is behavior which is not welcome, which is personally offensive, which debilitates and which therefore interferes with the work and/or learning effectiveness of its victims.

SEXUAL HARASSMENT ACTIONS

Sexual harassment actions include, but are not limited to, the following:

1. Unwelcome sexual flirtation, advances or propositions.
2. Verbal or written abuse of sexual nature, including suggestive jokes and innuendos.
3. Explicit verbal comments about an individual's body.
4. Sexually degrading words used to describe an individual's body.
5. Sexually suggestive objects or pictures in the work place.

Possible levels at which sexual harassment may occur:

1. Among peers or co-workers
2. Between supervisors and subordinates
3. Imposed by non-employees or students
4. Imposed by an employee on a student or non-employee

NOTICE OF POLICY

The Superintendent shall direct local the Chief Operations Officers to make the intent and procedures of the sexual harassment policy and sexual harassment procedure known to all employees and all students of Southwest Technology Center. The Superintendent shall do this by directing appropriate procedures to be followed by said directors.

COMPLAINT PROCEDURES

An employee or student who believes he or she has suffered sexual harassment by any other student or employee, including supervisors and co-workers, may bring the problem to the attention of the Title IX Officer.

The complaint will be made in writing. It is helpful if details of dates, times, places, and witness(es), if any, to the harassment can be provided.

At all times, strict confidentiality shall be required of Title IX Officers. Said officers shall also caution the complainant, the accused, and witness(es) to maintain confidentiality. Any writing or other physical evidence connected with any complaint shall be kept locked away by the appropriate Title IX Officer and shall be made available only to the Superintendent, the officer conducting the investigation, the complainant, the accused, and the attorneys involved. If the complainant or the accused is a minor, then the information and any redress requested by the complainant shall be made available also to the minor's parent or guardian.

THE TITLE IX INVESTIGATIVE OFFICER'S PROCEDURE

1. Meet with the complainant to determine the nature and extent of the alleged incident.
2. Keep a thorough, written record of the complainant, including:
 - A. Name of the complainant
 - B. The person or persons accused of sexual harassment
 - C. Date
 - D. Time
 - E. Location
 - F. Description of the incident or incidents
 - G. Witnesses and their statements.
 - H. Any redress sought by the complainant
3. Meet with the person accused of sexual harassment and inform him or her that a complaint of sexual harassment has been made against him or her.
4. After gathering all information, the Title IX Officer believes relevant from the complainant, the accused, and other witnesses, the Title IX Officer will determine whether or not, in his or her opinion, sexual harassment has taken place.
5. After receiving the formal complaint, the Title IX Officer shall submit a written opinion concerning its validity to the local director who then shall submit it to the Superintendent within fifteen (15) classroom days.
6. The Superintendent shall then render a decision as to what action is to be taken, respecting all legal and constitutional rights due both the complainant and the accused.
7. Within ten (10) classroom days, an appeal of the Superintendent's decision may be made to the Board of Education, in which event the Board may accept, modify, or reject the Superintendent's decision.

VII – T DRUG-FREE SCHOOL AND WORKPLACE POLICY

SWTC District Number 27, in recognition of the devastating effects that the unlawful use of drugs, alcohol and other controlled substances has on individuals, families and society in general; and in compliance with Public Law 101-226 and Public Law 100-690, establishes the following provisions and information to implement a Drug-Free School and Workplace.

PLAN OF OPERATION

SWTC, in total commitment to the position stated below; and in conjunction with Public Laws 101-226 and 100-690, will publish and distribute annually to all students and employees the provisions of its drug awareness and prevention program. This publication will include:

- A. The Position Statement
- B. Provisions and information associated with unlawful alcohol, drug and controlled substance abuse, describing:
 1. the legal sanctions
 2. the disciplinary sanctions by SWTC
 3. the health risks
 4. available counseling and treatment programs
 5. employee responsibilities for reporting criminal drug state convictions

SWTC will conduct a biannual review of the program to determine effectiveness, implement needed changes and ensure that disciplinary sanctions are consistently and fairly enforced and will submit all required reports, certifications and copies of its Anti-Drug Program to the specified and appropriate entities.

Position

SWTC exists for the primary function and purpose of enhancing the lives and career opportunities of those served, through career technology training and other self-improvement aspects of the curriculum. Therefore, philosophically, all activities which affect the student and the community served in a negative manner would have to be discouraged. However, in the case of the unlawful possession, use, manufacture or distribution of illicit drugs, alcohol or controlled substances, SWTC, as a matter of policy, strictly prohibits and will not tolerate these activities by students and/or employees while on District property, including grounds, buildings, parking lots and vehicles; or while participating in District activities or business while off campus.

Provisions

SWTC's Drug-Free School and Workplace Program will operate under the following provisions:

1. SWTC retains control over all District property, including buildings, grounds, parking lots and vehicles. Lockers/desks or any other property assigned to students/employees will be on a joint control basis, with the right to inspect at any time retained by SWTC.
2. Students/Employees that are under the influence of drugs, alcohol or other controlled substances (excluding medication prescribed by a doctor for their treatment), while on District property or involved with District activities, will be in violation of SWTC's Drug-Free School and Workplace policy prohibiting the use of such substances, regardless of where the substances were actually consumed or used.
3. The unlawful possession, use, manufacture or distribution of illicit drugs, alcohol or controlled substances is prohibited by State and Federal criminal law that contains strong penalties. SWTC will report all violations to the appropriate law enforcement authorities, including the Jackson County Sheriff's department. (See note on federal crime in information section).
4. Violation of SWTC's Drug-Free School and Workplace policy by secondary students will result in notification of parents/guardians in addition to the appropriate law enforcement authorities.

5. Disciplinary actions by SWTC will be administered fairly, in compliance with Federal and State statutes, and in compliance with SWTC's commitment to nondiscrimination, as established in the Non-discrimination policy. Disciplinary actions may include any or all of the following:
 - a. Suspension (in the case of employees, without pay)
 - b. Probation pending proof of satisfactory participation in an appropriate drug/alcohol abuse treatment program at the student's/employee's expense
 - c. Expulsion for students
Termination for employees
 - d. Referral for prosecution

6. Employees of SWTC are required as a condition of employment and by Public Law 100-690 to report to their supervisor, any criminal convictions for drug related activity in the workplace within five (5) days of the conviction. SWTC will then notify any applicable federal contracting or granting agency within ten (10) days of the employee's notification. Appropriate disciplinary action will be taken against the employee convicted of drug-related activity in the workplace.

Information

Drugs and Federal Crime

In addition to State and general Federal statutes that make it a crime to possess or distribute a controlled substance, there are special Federal laws designed to protect children and schools from drugs:

An important part of the Comprehensive Crime Control Act of 1984 makes it a Federal Crime to possess with intent to distribute, distribute or manufacture controlled substances in or near a public or private elementary, vocational or secondary school. Under this law, sales within 1,000 feet of school grounds are punishable by up to double the sentence that would apply if such acts occurred elsewhere. Even more serious mandatory penalties are available for repeat offenders.

Distribution or sale to minors of controlled substances is also a Federal crime. When anyone over age 21 sells drugs to anyone under 18, the seller runs the risk that he will receive up to double the sentence that would apply to a sale to an adult. Here too, more serious penalties can be imposed on repeat offenders.

Counseling and Treatment Programs

Student and/or employees who violate SWTC's policy for a Drug-Free School and Workplace, as one option for disciplinary action, may be placed on probation, pending satisfactory participation in an appropriate drug/alcohol abuse treatment program, at the student's/employee's expense. Information concerning available counseling and treatment programs, both private and public, will be provided through the administrative offices. In addition, a listing of programs available in each county will be provided.

Individuals who desire information or referral from another source should contact the Department of Mental Health at the following phone numbers:

Oklahoma City Reach-out 405/271-2444

Teen-line (12 noon - 12 midnight) 1-800-525-Teen

Hotline 1-800-522-9054

This agency provides referral, education and advocacy services at no cost, on a statewide basis.

PLAY IT SAFE..... JUST SAY..... NO!

VII – U NET PRICE CALCULATOR

The Net Price Calculator is available on the SWTC website at www.swtech.edu. The purpose of the Net Price Calculator is to assist in “estimating” the individual net price for attending an educational institution. The net price is defined as the cost of attendance minus the average yearly grant and scholarship aid. Please be advised that the calculator is for estimating purposes only. Final eligibility for aid is subject to the student completing the Free Application for Federal Student Aid (FAFSA) at <https://fafsa.ed.gov>, meeting eligibility, meeting priority deadlines, and availability of funds. The results provided here should only be considered an estimate and do not guarantee the actual financial aid the student will receive. This estimate is not final; is not binding on the U.S. Secretary of Education, SWTC, or the state; and may change.

VII – V GAINFUL EMPLOYMENT DISCLOSURES AND REPORTING FOR PROGRAMS/CAREER OPTIONS

The U.S. Department of Education requires Southwest Technology Center to disclose information to prospective students about gainful employment for eligible career options that are 600 clock hours or greater in length with post-secondary (adult) student enrollment. Over 1/2 of our enrollment consists of secondary (high school) students. Gainful Employment disclosure job placement rates include adult students only. Our GE disclosures include: related occupations, program costs and length, on-time completion/graduation rates, job placement rates, and median loan debt. The placement rate methodology is determined by our accrediting agency which is the Oklahoma State Board of Career and Technology Education. Positive placement includes the following: employment related to the career option and program, continuing education, and military enlistment. It excludes program completers who are unemployed, but seeking employment and students not in the labor force. Southwest Technology Center does not participate in any student loan program and does not have financing plans available for students, therefore, students can finish a program at SWTC debt free.

SWTC Gainful Employment Disclosures and Career Option Brochures include CIP and SOC codes. CIP codes are used to provide a standard way of classifying fields of study, mostly at the post-secondary (college/university) level. The CIP Classification of Instructional Programs Code is listed under each career option in the Program information Sheet and located on the SWTC website at www.swtech.edu or in the Financial Aid Office. You can also access CIP Code information at www.nces.ed.gov/ipeds/cipcode. The SOC system was developed in response to the need for a universal occupational classification system. Such a classification system allows government agencies, private industry, and students to produce comparable data about occupations.

As of July 1, 2019, per federal regulations, SWTC GE Disclosures will be distributed to prospective students as a separate document before the student signs an enrollment application or makes any financial commitment to the institution. Per federal guidelines, written confirmation of the receipt of the GE Disclosure Template will be obtained from all prospective students.

SWTC is required to submit data to the U.S. Department of Education on students enrolled in GE programs including information to identify the student, program CIP code, credential level, length of the program, the student’s attendance dates, and status during the award year. If the student completed or withdrew, SWTC must report the date, the total amount of tuition and fees charges, the total amount the student received from private loans, and the cost of attendance.

All Gainful Employment Disclosures are available on the SWTC website at www.swtech.edu. A hard copy of all GE Disclosures are kept in the Administrative/Business Office, Counselor’s

Office, and Financial Aid Office. For questions regarding Gainful Employment or to obtain a hard copy of the Gainful Employment Disclosures, please contact the Financial Aid Coordinator.

VII – VI FREE EXPRESSION ON CAMPUS

Freedom of Speech and Expression

Southwest Technology Center supports the freedom of speech and expression as authorized in Oklahoma Senate Bill 361. For additional information, please refer to the SWTC Board policy FNAA at www.swtech.edu.

Internet Access Conduct Agreement on following page >>>>>>>>

**SOUTHWEST TECHNOLOGY CENTER
INTERNET ACCESS CONDUCT AGREEMENT
2020- 2021**

Every student, regardless of age, must read and sign below:

I have read, understand, and agree to abide by the terms of the foregoing Acceptable Use and Internet Safety Policy. Should I commit any violation or in any way misuse my access to the school district's computer network and the Internet, I understand and agree that my access privilege may be revoked and school disciplinary action may be taken against me. I understand I have no expectation of privacy with regard to my use of the school district's technology.

Status: Student _____ Staff _____ Patron _____ I am 18 or older _____ I am under 18 _____

If I am signing this policy when I am under 18, I understand that when I turn 18, I will have to sign another policy.

Parent or Guardian: (If applicant is under 18 years of age, a parent or guardian must also read and sign this agreement.) As the parent or legal guardian of the above student, I have read, understand and agree that my child or ward shall comply with the terms of the school district's Acceptable Use and Internet Safety Policy for the student's access to the school district's computer network and the Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the policy. I am, therefore, signing this policy and agree to indemnify and hold harmless the school, the school district, and the Data Acquisition Site that provides the opportunity to the school district for computer network and Internet access against all claims, damages, losses, and costs, of whatever kind that may result from my child's or ward's use of his or her access to such networks and/or his or her violation of the foregoing policy. Further, I accept full responsibility for supervision of my child's or ward's use of his or her access account if and when such access is not in the school setting. I hereby give permission for my child or ward to use the building-approved account to access the school district's computer network and the Internet.
